From Cover To Cover We're On The Go

Mr. William Whitesel checks all PA announcements before they are read.

Franklin Pierce got its yearly bomb scare in the fall, calling out the Midland Fire Department.

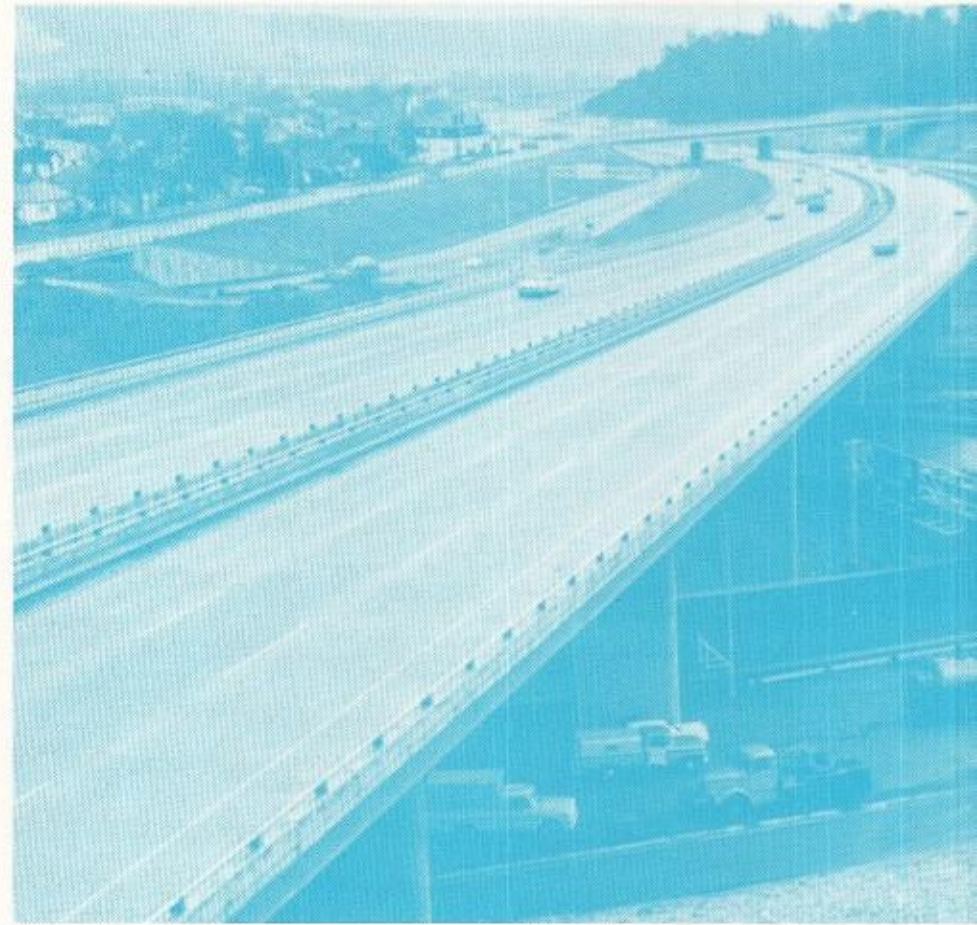

All together now one, two, three, the Soph PE girls chant.

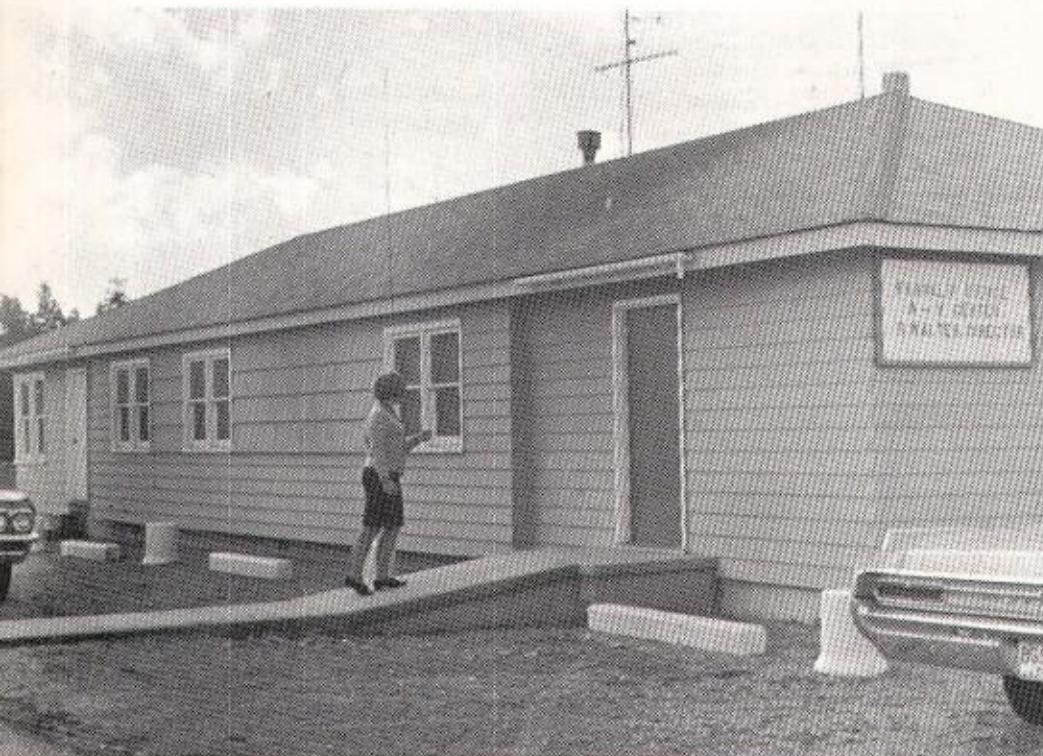

It's Go—On The Freeway,

All after-game dances were spiced up by the playing of live bands.

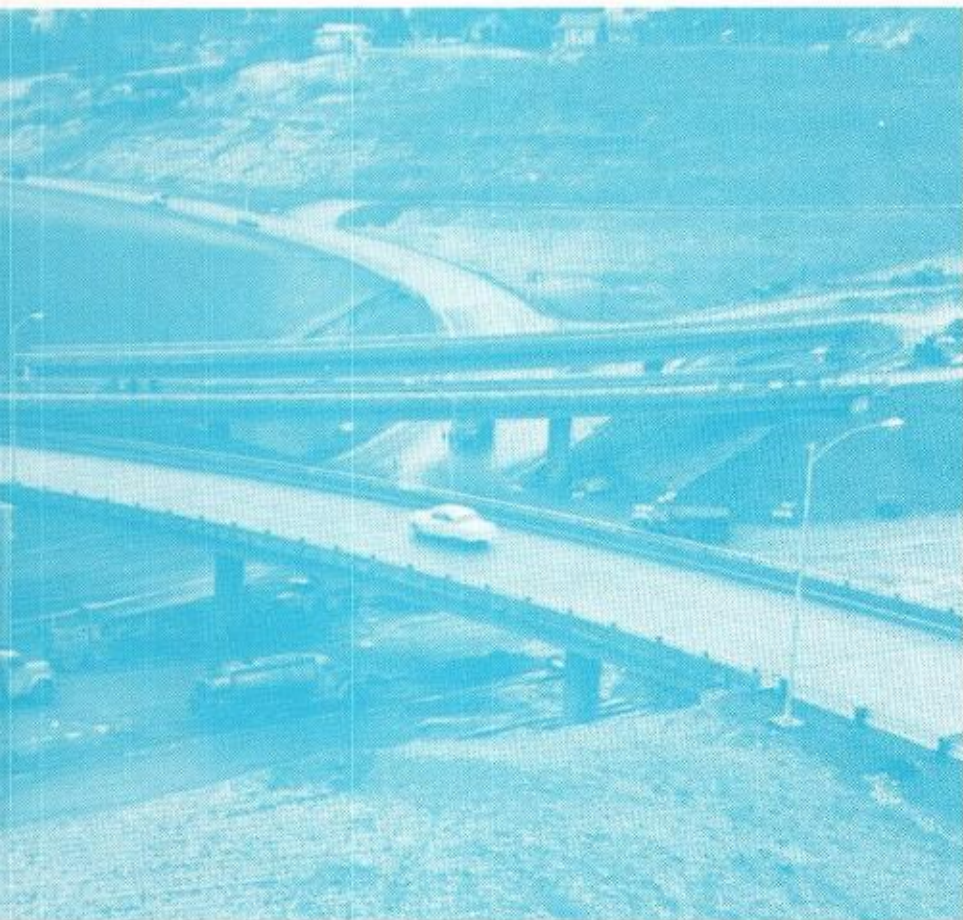

The new Pacific Avenue Interchange at the Freeway added complication for all drivers.

Mr. Walter's new building proved to be a great help in office and storage use.

To The Mall, At Dances

The Tacoma Mall sparkled with elaborate Christmas decorations during its first holiday season. Lots of FP students and faculty members found it convenient to do their shopping at the Mall.

THERE were new sights and changes around the FP campus and in the Tacoma area during 1966.

One novel change at FP was the use of "live bands" at after-game dances. Better attendance and enjoyment by the students resulted.

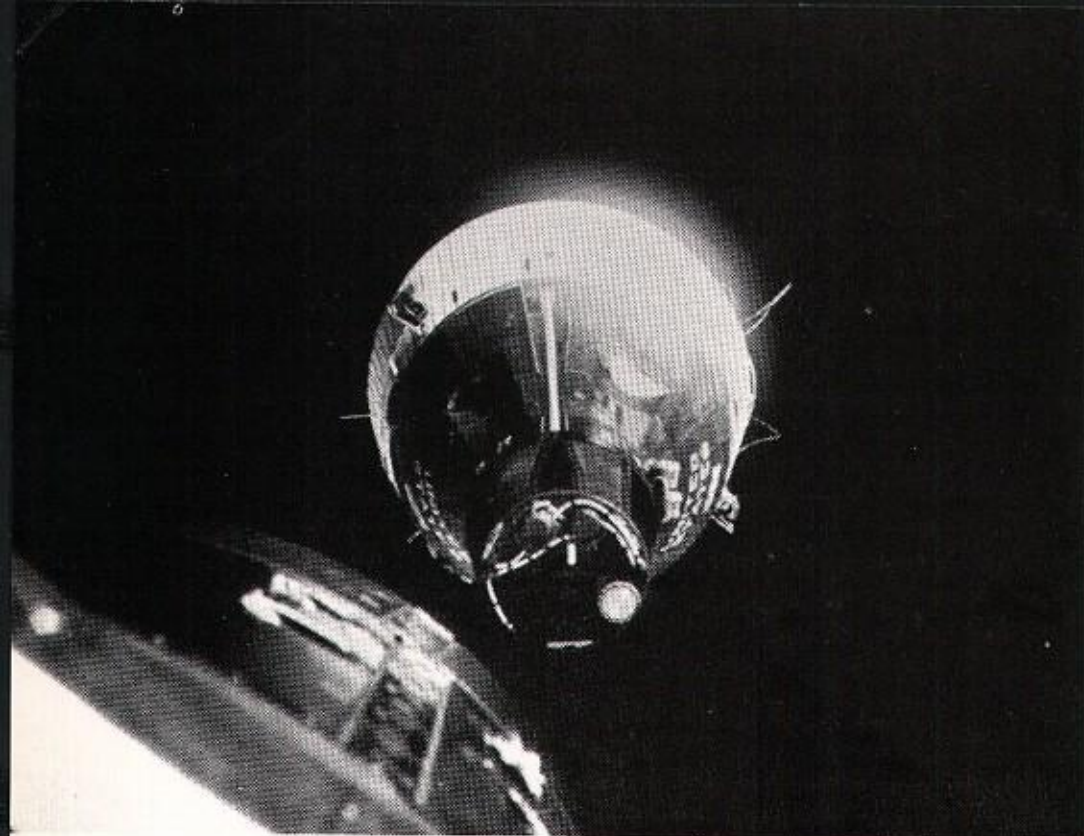

Mr. Walter was a little more comfortable in his new building near the tennis courts that was used as his private office and warehouse for movies and equipment.

The new freeway chopped up acres of ground around Tacoma as well as the old football field. It added convenience and noise as the workmen bulldozed during school hours.

Shoppers found a new paradise at the spectacular Tacoma Mall. With Tacoma's rainy weather, the Mall was a pleasure to shop at during the winter and holiday season. Thousands of dollars were spent on Christmas decorations for the Mall, but the expenditure delighted the shoppers.

No matter where we looked, it was action—and progress.

National News

1 After Surgery—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

2 Temporary Mood—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

3 Double Space Spectacular—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

4 A Wave for Friends—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

5 Medicare Bill Signed—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

6 Royalty on Tour—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

—1965

7 Proud Student—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

8 Startling Fashions—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

9 Blackout—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

10 Plea for Peace—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

11 New Ambassador—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

12 Heroes in Dike Work—High school and college students were among the heroes in strengthening dikes along the Mississippi last spring. They labored long hours to reinforce dikes and levees for protection of a number of communities in the path of the river's raging flood waters.

Miss Micopacen — Paula Clark

Seniors Win Annual Sale; Paula Is Titlist

Sophomore Betty Jo Baker

Junior Pat Purdue

PAULA Clark reigned as Miss Micopacen '66'. Paula, a lovely senior, expressed great pleasure at being chosen to represent the seniors and the school by reigning over the annual. Completing her majestic court were junior representative, Pat Purdue, and sophomore representative, Betty Jo Baker.

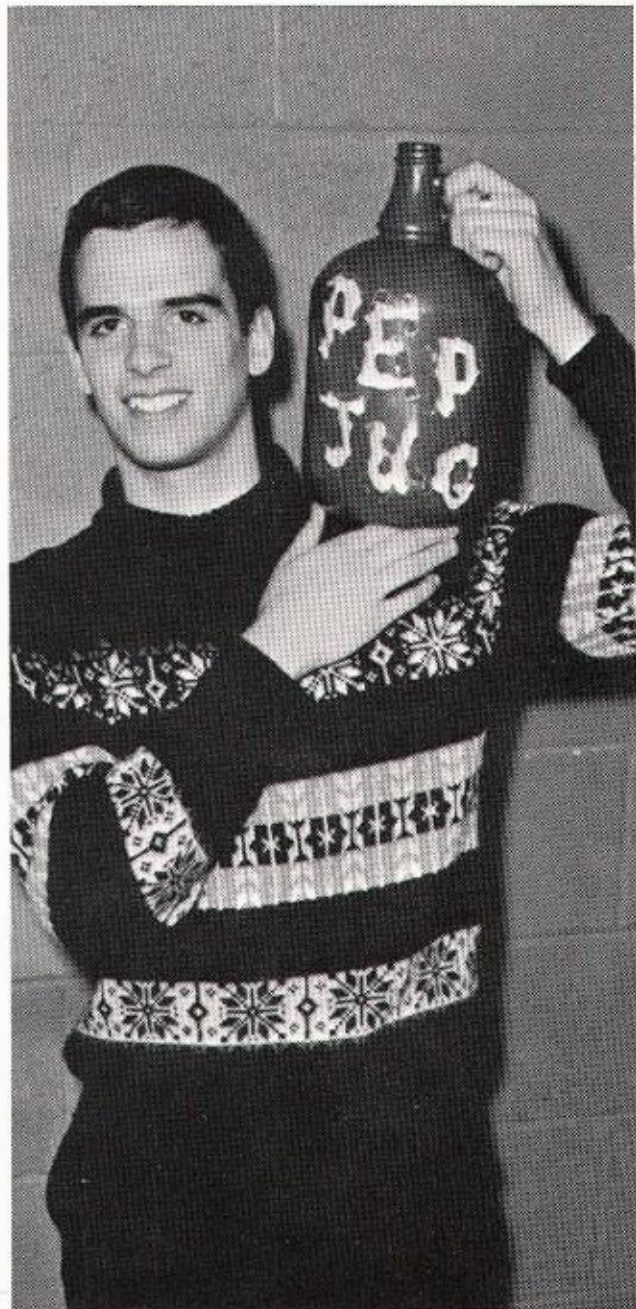

Paula was named Miss Micopacen when the senior class bought the greatest percentage of annuals. The senior representative has always been chosen Miss Micopacen and the trend was unbroken this year when the seniors bought 241 annuals to the junior's 207 and the sophomore's 162.

CLASSES

Scott Spencer claims pep jug for the senior class.

THE class of 1966 has faded into history, but the energetic, joyful and hardworking attitude of the seniors will never die.

Making plans for graduation, electing a Miss Micopacen and planning their future started them off on the right foot, and then they concentrated on staying there.

Honor after honor was poured upon seniors. Paula Clark was named Miss Micopacen, Mikkell Thompson won in the Veteran's Day assembly, Sue Ballman and Ed Imhof were elected Queen and King of Homecoming and

Nancy Dimond was presented the DAR citizenship award.

As a class they concentrated on raising money for their gift to the school by selling Christmas cards and sponsoring an after game dance. They closed out the year with the senior banquet, senior ball, class assembly and graduation.

Officers were Scott Spencer, president; Jim Whitesel, vice president; Teri Ellis, secretary; and Byron Stay, treasurer. Mrs. Eleanor Ervin and Mr. Walter Kunschak were class advisors.

1966 Was Memorable

GRADUATION means the end and the beginning. It means the end of 12 years of learning, yet the beginning of a new life. It means college for some who want to further their education. With this impending world some boys will join in to serve their country. Marriage awaits some grads and jobs for others.

During their last year of high school the seniors are filled with ambition and anxiety. Graduation is one of the biggest events in one's life. The banquet was held at the Sherwood Inn in March, and this year's baccalaureate came on June 5. Graduation, the "big" event, sent some 400 seniors down the aisle on June 8.

Gary Romjue receives his diploma for graduation from Superintendent Nelson.

Class officers for the year are Margie Harte, vice president, standing; Donna Visser, secretary; Joe McGuire, president; and Kelly Taylor, treasurer.

Jrs. Active With Senior Ball, Candy Sale

THIS year's junior class was caught midway in its high school career with the many tasks of the Senior Ball and the making of decisions about its future.

In October the class ordered class rings with the help of its advisers, Mrs. Marion Ecklund and Mr. Walter Hall. The class then sold Almond Roca to help sponsor the Senior Ball.

The class took the Iowa Tests of Educational Development to decide whether to go to college or into the world of employment. This year the class studied about its country with U.S. history and American literature, and as electives they were able to take speech and advanced business courses.

Then in June, the juniors looked ahead—their senior year was near.

Juniors Experiment In Science

Kelli Taylor

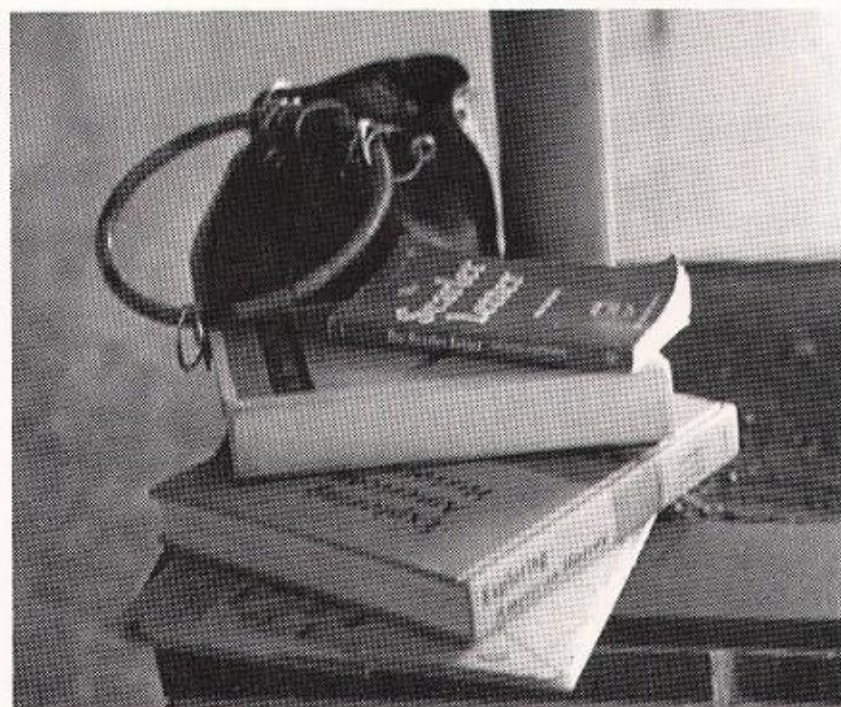

Lloyd Peterson, Kelli Taylor and Randy Bayer conduct biological experiments.

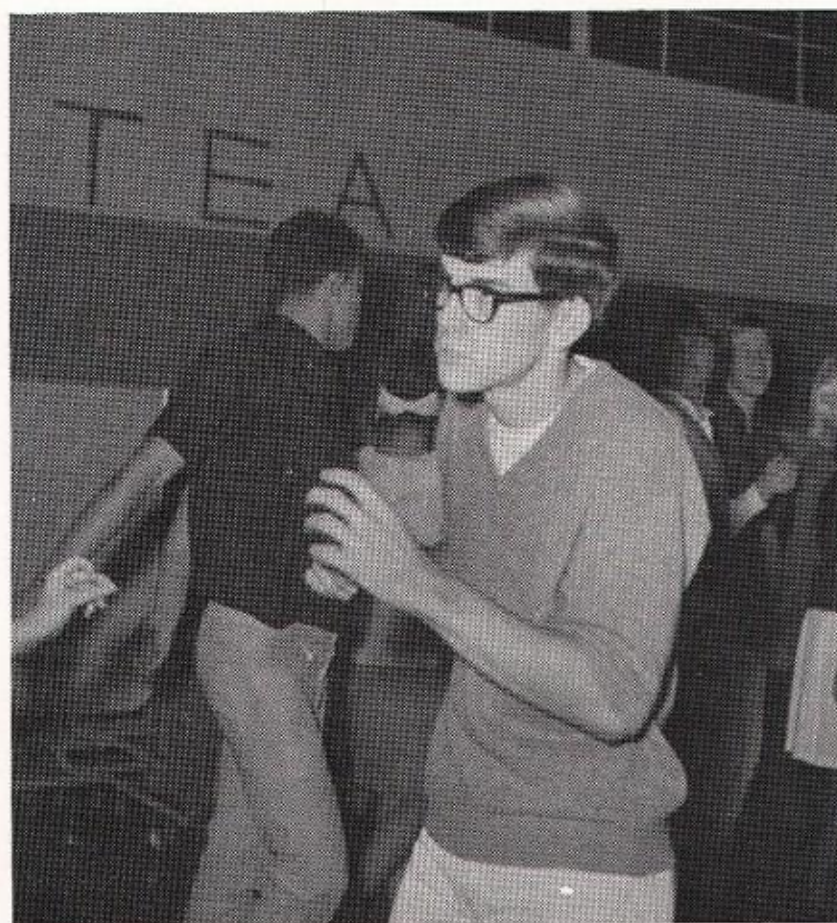

Juniors Keep Active Pursuing Their Goals

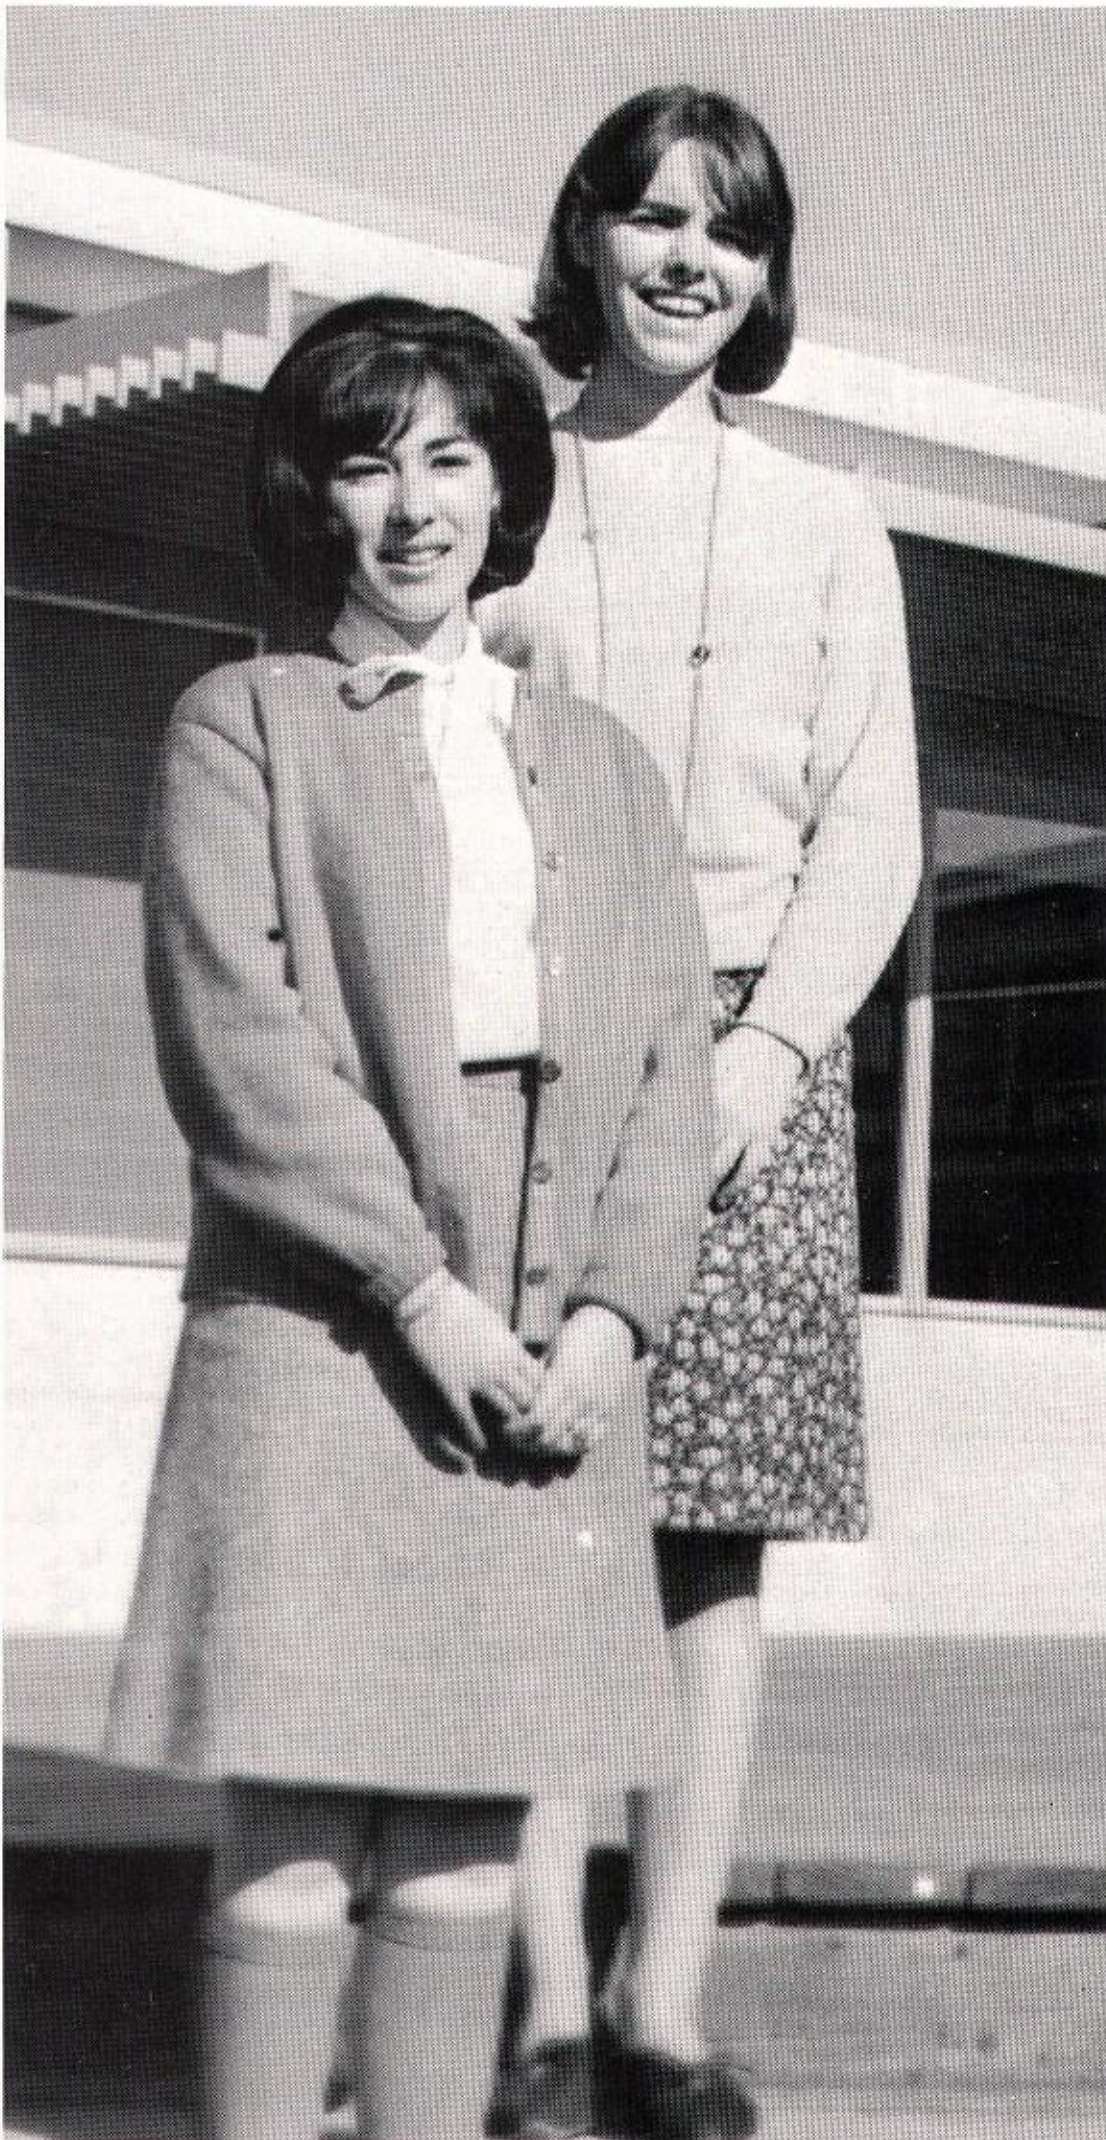

Enthusiasm was created by the juniors at the pep assemblies.

Literature and U.S. History were among the top junior studies.

Juniors sponsored an after-game dance during basketball season.

Margie Harte and Kelli Taylor were co-chairmen of the 1966 Senior Ball, "Some Enchanted Evening".

Over 500 New Sophs Biggest Class Ever

ON September 7, 1965, the school gymnasium was filled with over 500 new sophomores, the biggest class since this school was built. There were new buildings to explore, new friends to make, new classes to stymie even the most capable, and new activities to take up the after-school hours.

To begin the year, 30 per cent of the sophomores bought annuals and Betty Jo Baker was a Miss Micopacen candidate.

Under the guidance of Mrs. Jean Mazzei and Mr. Harold Cleghorn, the sophomores chose "We're the class that's equaled never, '68 will live forever" as their class motto.

It was an eventful year, with such money-raising projects as bake sales, selling concessions, and sponsoring after-game dances. In the spring they put on their annual assembly.

To conclude their first active year in high school, they decorated for graduation.

The class officers are Pat Weis, treasurer; Doug Ellis, vice president; Pat Gerla, secretary; Gordy Daniel, president.

Sophomores enjoyed their last required year of Physical Education. The girls learned tennis, baseball, and basketball.

Class advisers are Mrs. Jean Mazzei and Mr. Harold Cleghorn.

Sophomores found the library very useful for doing their first year high school homework. They had to find more time for work and less for play.

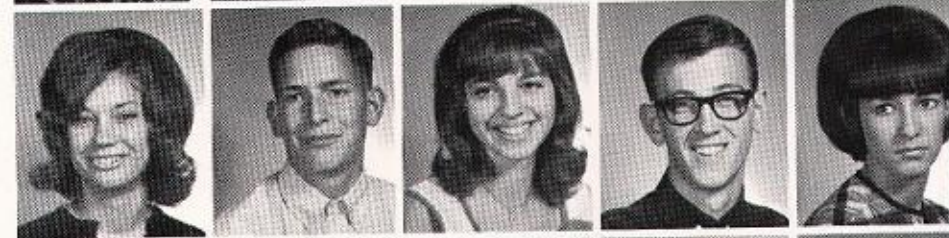

Bobbie Mesaros and Doug Ellis found biology an interesting subject. They dissected frogs and worms, used the microscope, and performed experiments.

FACULTY

Mr. Nelson Concludes Final Year At FP

ASSUMING the responsibility of educating some 1,400 students is an awesome task. This duty rests largely upon the administration. Mr. Edwin Nelson, superintendent, and his assistants, Mr. Robert Richardson and Mr. Robert Haglund, guide the activities and progress of the district.

As the principal, Mr. William Whitesel faces an endless schedule of activities, but his pleasant personality tends to brighten the gloomiest of days. Mr. Edward Brown, vice principal, is kept busy assisting the Student Council and he played an important role in reducing the number of incidents involving the painting of initials on other schools. Mrs. Betty Burtron and Mrs. Doris Fuller, efficient secretaries, handle the office paper work. Many students didn't realize the administration's efforts to keep the school running smoothly so that students would receive a good education.

Mr. Edwin Nelson, Superintendent

Mr. Nelson and his secretary, Mrs. Elizabeth Eisenbacher, busy at work.

MR. Edwin Nelson retired this year after serving as superintendent of the Franklin Pierce District since 1958.

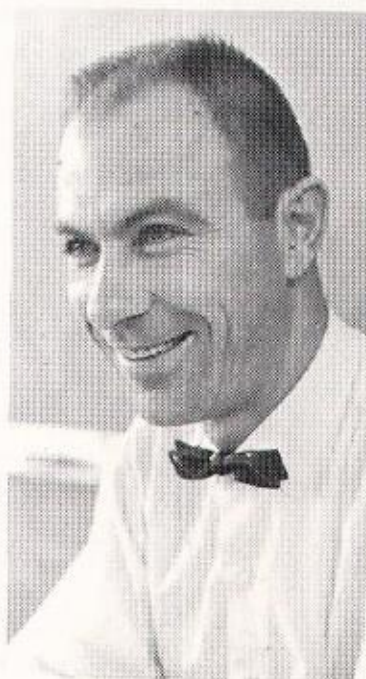

He began his career in 1925 as a teacher. He was principal of Central Avenue and Parkland Junior High, then assistant superintendent.

Mr. Nelson has seen the district grow from four small grade schools to 12 overflowing schools, from a faculty of 100 to a staff of 500, and from a student body of 2,000 to one of 7,500.

In his letter of resignation, Mr. Nelson said: "... Many opportunities and problems lie ahead, but I will leave knowing that the best education opportunities will be offered for the children of our district."

Science, Math Teach Independent Thinking

Mr. Eldon Kylo

Mrs. Margaret Phillips

Students listen as Mr. Fulkerson explains geometry. To some the math is new, but most have had it before.

Nine teachers taught a total of 42 classes this year in the Science and Mathematics departments. Many students found that they were learning to think for themselves rather than relying upon the teacher.

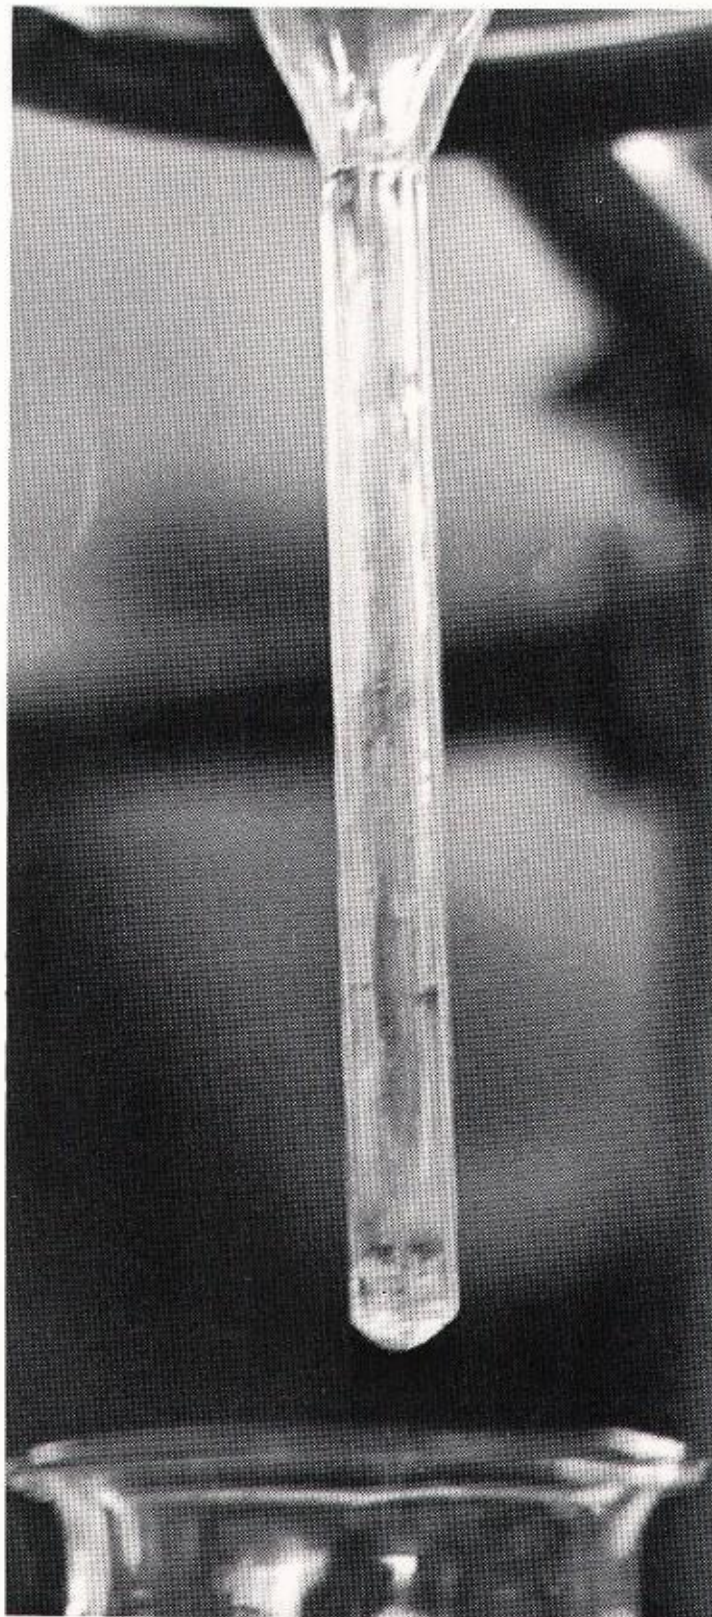

On the first day of school, for example, students in Mrs. Phillips' chemistry classes were given candles and told to light them and make as many observations as possible. The students are free to go at their own speed, and make their own discoveries.

Even in math, students can progress. Functions, for instance, is a class open to seniors who have taken algebra 3 and trigonometry. It is the third year of algebra, and after taking it, a student is ready to step into a college calculus course.

Students benefited greatly from science and math courses in that they learned to be independent.

Mrs. Ina Wake

Science experiments require exact measurements of elements which are to be used. Because the students carry out experiments themselves, they must be precise.

Viet Nam Policy A Constant Controversy Among Students

U.S. history students learn a better understanding of their country.

EVEN though the seniors studied government and contemporary world problems, most people won't forget Viet Nam and the countless servicemen who fought for their country. Studying the history and the making of our country were the juniors. The sophomore class learned about the history and countries of the world.

Every history teacher encouraged participation in the "Voice of Democracy" contest and the annual Veteran's Day assembly Nov. 10. It was at this assembly that the finalists, Mikkell Thompson, Linda Stalcup and Dale Scott, gave their speeches. Mikkell Thompson won, making him eligible for the district contest.

One of the most popular classes is psychology, where students not only study the human mind and how it works, but they attempt to predict future happenings throughout the school year. With the aid of the ouija board, Mrs. Eastby's psychology class accurately predicted such things as who was going to win the National League pennant and which team was going to win the football game with Evergreen last October.

New Technique In English Dept.

EXPERIMENTATION came to the English department this year. In the past there has always been a set pattern for the teaching of literature. Mrs. Eileen Stromme, Mr. Robert Alexander and Mr. Larry Roshau experimented to help the students to see the relationship between composition and literature. The rest of the classes have followed the regular planned schedule. English is important in our everyday life, and we will remember our English classes every time we write a letter or prepare a talk.

They also took part in the daffodil parade in their new uniforms, for which money was earned last year. The advanced choir, mixed choir and the Silvertones, under the direction of Mr. Angelo Manzo, performed at the annual Veterans Day assembly, the Christmas assembly and the fall, winter and spring concerts.

In Mrs. Hazel Davenport's art classes, advanced art students experimented in varied techniques of art. The beginning art students worked with the fundamentals of art design: lettering, figure drawing, color wheel and linoleum block. Mrs. Davenport also taught crafts where the students worked with leather as their first project.

The shop classes, under the direction of Mr. Maurice Miller, Mr. Kenneth Owen and Mr. Phillip Hergert, worked with many projects. In wood shop, some learned the techniques of house construction. Other classes worked on metal projects. In the agriculture classes the FFA boys built a greenhouse outside the shop as their project.

The sophomore girls, under the direction of Mrs. Gina Baker, had many objectives. They developed initiative and creativity through modern dance and gymnastics. Playing team sports, they came to understand the rules of the games and their purposes. They gained self-confidence and learned to cooperate with others. But above all, their objective was to have fun!

With the help of Mrs. Delores Sparks and Mrs. Bea Elder, the home economics students had a tea and style show for their mothers and friends in the spring.

Business Plays An Important Role For Many FP Students

Practice with flying fingers makes one perfect in a business class.

BUSINESS plays an important part in the lives of most Franklin Pierce students. It helps them now in their homework and it will continue to help them throughout their lives.

Mr. Wilbur Peterkin, besides teaching general business and business law, is commercial department head. Mrs. Milaine McKay teaches shorthand and typing, while Miss Nancy Kleinschmidt teaches business, English and secretarial training. Mr. Robert Ross, besides heading the bookkeeping class and the bookstore, also teaches business machines.

All business machines, for students taking these courses, are furnished by the school.

Language Lab Used By All

FOREIGN language classes play a great part in the understanding of neighboring countries for Franklin Pierce students. Before learning the language, they first learn about the country itself.

A language lab has been set up, and here students get a chance to hear the language spoken and, in turn, they have a chance to speak it themselves.

Miss Grace Swan, who teaches Spanish, is the foreign language department head. Mr. John Conant and Mr. Leo Gilman also teach Spanish. Mrs. Sharon Erickson teaches French, while Mr. John Holzberger is the German teacher. The only Latin teacher is Mrs. Elza Simsons.

ACTIVITIES

Eileen Davis, FFA Sweetheart.

An Eve Of Dancing

THIS year was filled not only with homework, classes and sports, but also, with dancing enjoyment.

The class of '66 presented the '65 Senior Ball, "Days of Wine and Roses." The general chairmen were Lynette Freiter and Gary Romjue. The hard work of the class of '66 was proved memorable by the contemporary decorations that graced the gym.

Eileen Davis was crowned FFA Sweetheart by Vice President Wayne Schneider at the Harvest Ball in October. The first semi-formal dance was held by O-Ki-Hi and Girls' Club. The theme of the tolo was "Teahouse of the August Moon," with color combinations of black, gold, orange, and red. Hi-Y set the stage in red and white for the annual Sweetheart Ball, "You'll Never Walk Alone." Janet Langseth was chosen to reign over the Valentine festivities.

The '65 senior ball will always be remembered by the class of '66 who spent many hard-working hours decorating the school gymnasium. The

theme, "Days of Wine and Roses," was carried out with bright colors and contemporary decorations.

The entertainment at the Sweetheart Ball was provided by Frank Dutra Four.

USING the theme, "Memories Are Made of This", Ta-Wan-Ka again presented the annual homecoming festivities in December. As the band played a coronation march, the homecoming royalty were presented at the homecoming assembly. They were Seniors Sue Ballman, queen, and Ed Imhof, king; Juniors Margie Harte, princess, and Terry Stoltenberg, prince; and Sophomores Kursti Park, duchess, and Jim Hadland, duke.

A reception was held for the alumni before the basketball game, which the Cards won 53-36. When the royalty was again presented at the basketball game with Lincoln, Ed Imhof was unable to attend because of an injury which he suffered while tobogganing in the mountains. Queen Sue Ballman was escorted, at halftime, by Gary Romjue, ASB president. The Nu-Men played for the dance for the students and alumni after the game.

Santa Claus Comes To F P Twice This Year

Char Neff created in the Attendance Office this Christmas scene with Peanuts.

This scene on the Attendance Office window was painted to attract visitors.

Snow created a happier atmosphere and Christmas scene here at our school.

Mr. Whitesel, principal, enjoyed sitting on the lap of Santa, Scott Spencer.

SANTA came twice this year. There was much excitement and anticipation towards Christmas. It made people here at Franklin Pierce walk down the halls singing, skip class, give their teachers apples, and smile at the vice principal. Days seemed to go faster around this time of year.

Mr. Rufus Fox took time off from his job as guidance counselor to be Santa at the Girls' Club assembly Dec. 22. President's Council brought Santa, Scott Spencer, to school Dec. 20 and 21. He held students, and even the principal, on his lap, and pictures were taken. This was a spirit-raising project during the three lunches.

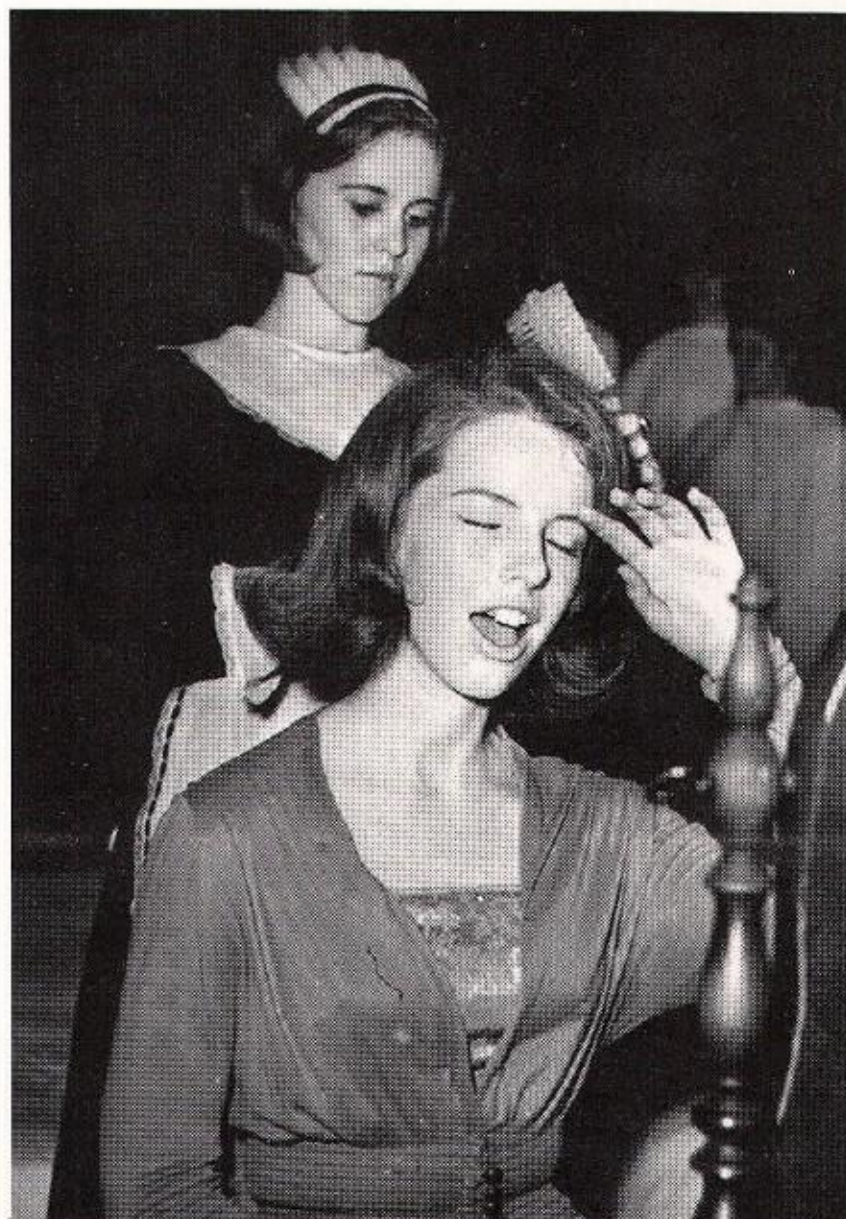

This year our school was the scene of gaily decorated Christmas trees, pictures on windows, and Merry Christmas written everywhere. The students and faculty were full of the Christmas spirit.

The Christmas vacation, starting Dec. 24, brought students back Jan 3 eager to begin a good new year.

This tree was decorated by the Psychology Club and displayed in room 601.

Bald Soprano Chosen Top One-Act in Play

Julia Cousineau readies Margaret Espeseth for a visit from her boyfriend in the play "Poison, Passion and Petrification."

THESPIANS presented six weeks of hard work in giving their annual one-act plays Dec. 9 and 11.

Mr. Roger Shaw's dramatists produced a wide variety of one-act performances, including George Bernard Shaw's "Poison, Passion and Petrification" and "Man of Destiny," an old-fashioned melodrama entitled "Little Nell" and an anti-play christened "The Bald Soprano."

In awards given following the plays, "The Bald Soprano" received three of seven, including one for the outstanding play. Kelli Taylor and Ric Mose were chosen top actress and actor, respectively.

Ken Stixrud, acting as the cold-hearted villain, attempts to win the love of the sweet maiden, Nell (Kelli Taylor), in the melodrama, "Little Nell."

Ric Mose, portraying the French conqueror, Napoleon, and Osse Baard, playing the role of a young female spy, talk of Ric's missing dispatches in the production of "Man of Destiny."

Mikkel Thompson lets out a scream as he recites his nonsense lines in "The Bald Soprano."

Sue Smith and Kathy Collings, who portray a pair of naughty children, mess Jan Lingbloom's kitchen up in the play "The Gabawachee", presented to a predominantly children's audience.

Raiding an ice-box, Kathy Collings gets into mischief in "The Gabawachee."

The masks of tragedy and comedy are Thespian's symbol.

Jan Lingbloom, who portrayed a kind housewife in "The Gabawachee," finally tames the little elves by the play's conclusion.

Play For Young Ones Presented For 1st Time

FOR the first time Thespians produced a play aimed at the elementary school age level in a fable entitled "The Gabowachee."

The idea was first conceived by Thespian Sue Smith. By Feb. 5 it became a reality as it played before a full house in the FP cafeteria.

Members of the cast included Sue, Kathy Collings, Jan Lingbloom, Betty Olson and Debbie Skillings.

"The Mouse That Roared" became this year's spring play given Mar. 31 and April 1. The light comedy, made famous by a movie which starred Peter Sellers, involved a mouse-sized country declaring war on the United States and winning with no more than a handful of bowmen. The performance was given in two acts and was rated as a top-flight performance. Mr. Roger Shaw, Thespian adviser, felt that the play was an excellent finale to one of Thespians' finest years.

LORRI McDOWELL, 1966 Daffodil Princess

Talented Lorri McDowell
FP Daffodil Princess

SPARKLING eyes! Radiant smile! Brown-haired beauty! Petite princess! Enchanting voice!

Cliches? Yes. But they aptly describe Franklin Pierce's 1966 daffodil princess, Lorri McDowell. One of the most talented of all the school's representatives, Lorri is active both in and out of school. While maintaining a 3.35 grade average, she was assistant director of Silvertones, serves as choir secretary, and was an active member of O-Ki-Hi and Pep Club. Lorri also loves to water ski and has an interest in almost all sports.

After graduation, the blue-eyed princess plans to attend the University of Washington to study music and drama. She hopes that perhaps someday she might become a professional singer or actress.

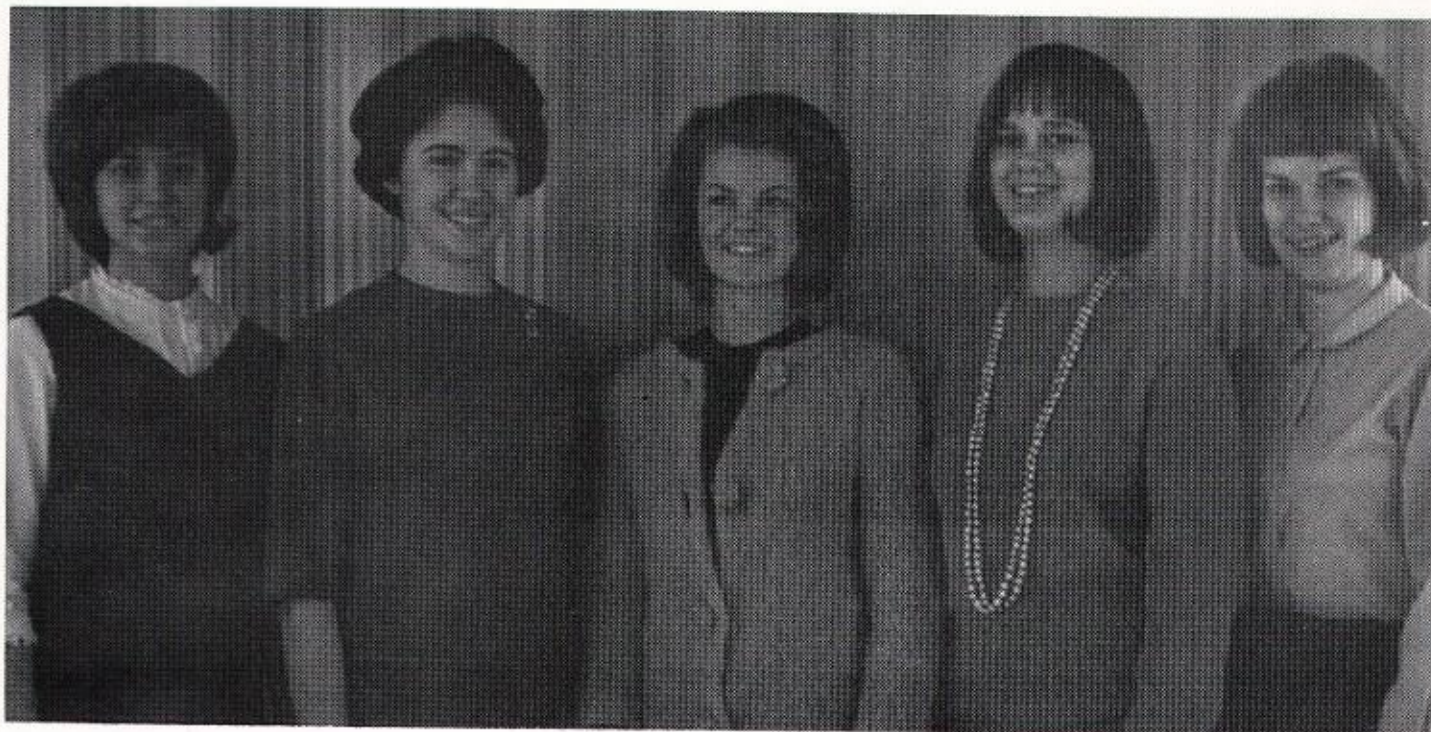

Lorri was chosen from five other girls who were finalists from an original 16. The other finalists were Carolyn Spruell, Kathy Haglund, Karen Kamcheff and Nancy Dimond. All 16 had above a 3.0 average throughout their high school years. Lorri was selected by a panel of eight judges in the home economics room. The candidates gave a short speech on either the subject of femininity, the home or recreation. They were also questioned by the judges.

Other contestants were Osse Baard, Linda Courtwright, Lynette Freiter, Laura Gwynne, Anne Little, Rose Sherry, Carol Tommervik, Lynette Townsend, Sue Smith and Joan Whitesel.

The theme of this year's Daffodil Festival was "This Land of Ours". The dates of the festival were March 26 through April 3.

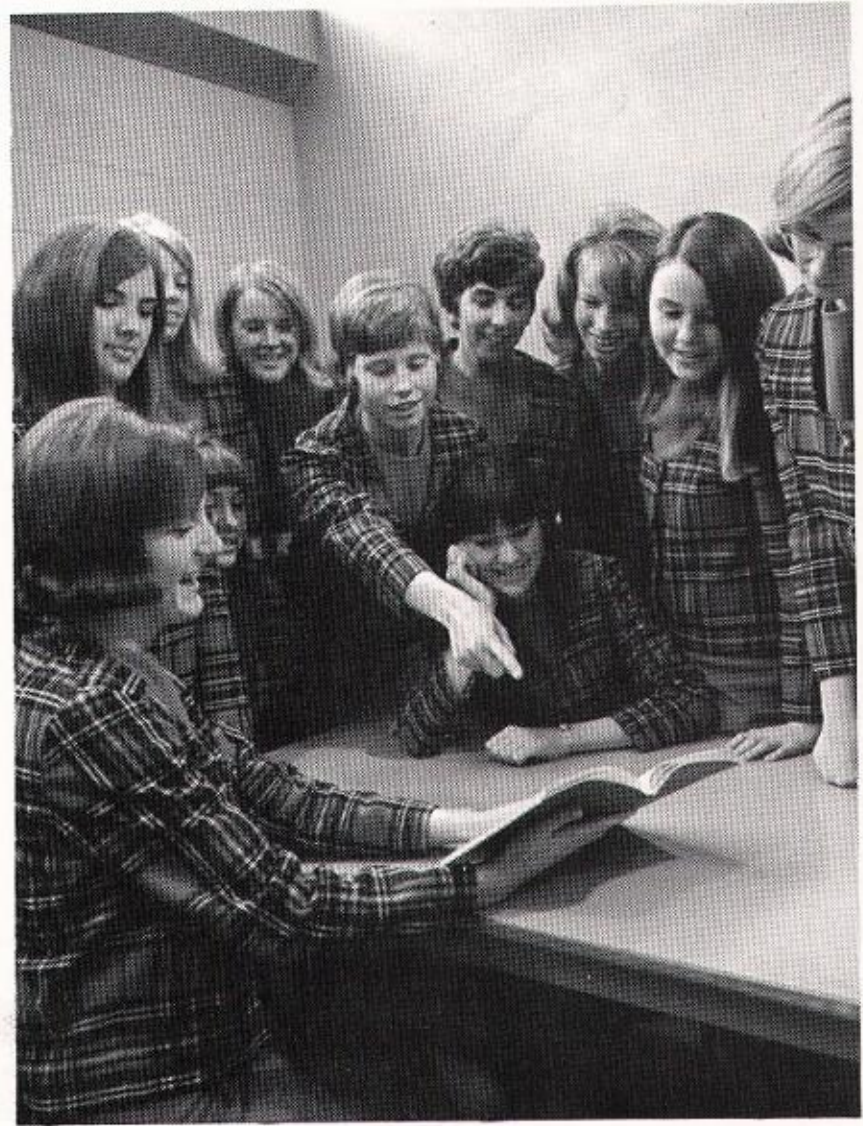

Lorri McDowell gasps with delight as she is chosen daffodil princess.

The five finalists were, left to right, Carolyn Spruell, Karen Kamcheff, Lorri McDowell, Kathy Haglund and Nancy Dimond.

Star Promoted By Student Council

"I can not begin to tell you how much their time and thoughtfulness means to all of us here."

So wrote a soldier in Viet Nam after he received our gifts from Operation Christmas Star. Co-operating with other Tacoma schools, Franklin Pierce participated in Operation Christmas Star to get clothing, magazines and candy for the children and soldiers in Viet Nam. Trucks from McChord Air Force Base picked up the gifts, and then they were flown to Viet Nam.

Other projects were beautification of the football stadium, raising money for the new high school, planning and carrying out Pep Week and buying a new popcorn machine.

Leading the 60-member governing body was Gary Romjue, president; Gerry Archer, vice president; Margaret Espeseth, secretary; and Dale Scott, treasurer. Alan Kiest was parliamentarian.

Girls' Club, O-Ki-Hi Combine For Tolo

GIRL'S Club was set up to give every girl in the school a chance to belong to a club. It is also like a service club in many respects: It hosts the Father-Daughter banquet and the Mother-Daughter Tea. Girl's Club also gives a scholarship to some deserving girls.

In cooperation with O-Ki-Hi, they sponsor the Tolo annually in November. At Christmas they had a project with O-Ki-Hi to earn money for an orphan home. Girl's Club also presented \$50 for beautification of the school.

This year's officers were Lynette Freiter, president; Caryl Bottiger, secretary; and Carol Tommervik, treasurer.

To end an eventful year, the new officers for next year were selected at a special installation.

Due to the work and efforts of the members and advisers of O-Ki-Hi, a highly successful year has been completed.

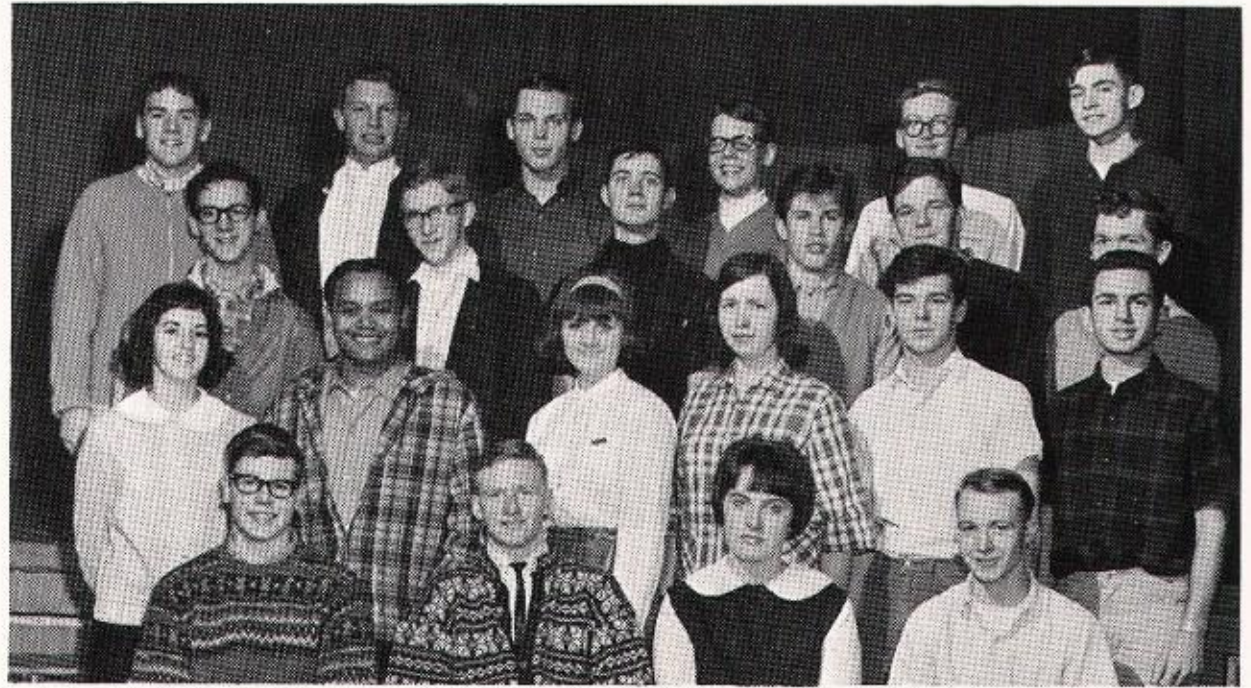

In September, O-Ki-Hi held its annual recognition ceremony to welcome new girls. Also, this impressive ceremony gave all members—new and old—a better understanding of the purposes of O-Ki-Hi.

O-Ki-Hi gave a Thanksgiving basket to a needy family and worked with the Girl's Club to earn money for an orphan home as their Christmas project.

Leading the club were Rose Gilbertson, president; Rose Sherry, vice president; Teri Ellis, treasurer; Joan Whitesel, special services; Jeanne Hansen, secretary; and Laurel Harmon, publicity.

Hi-Y And VCY Lead In Christian Character

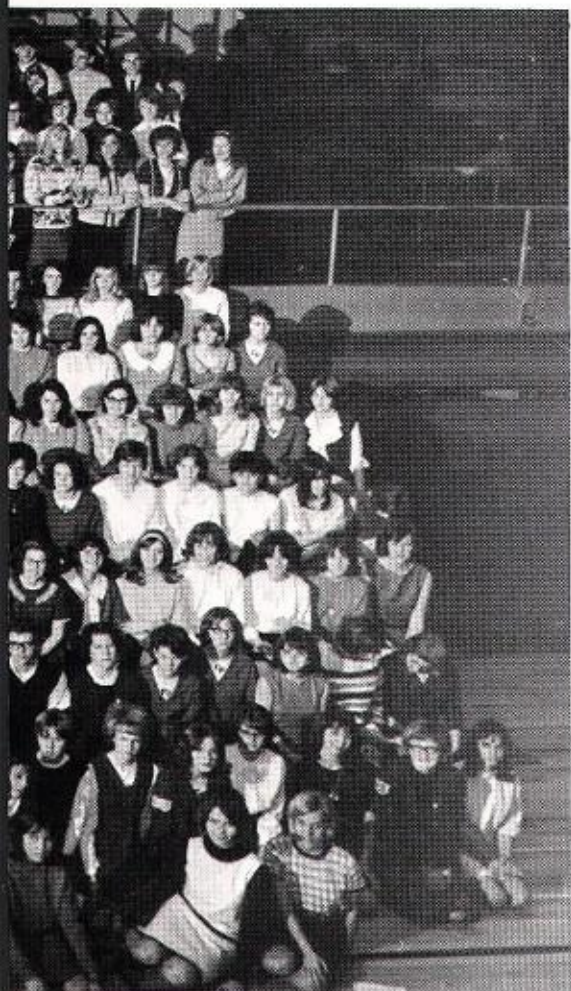

HI-Y is an all male organization, maintaining a high standard of Christian character. With the help of their adviser, Mr. William Orme, they were in charge of cleaning the stadium after the football games and selling programs. Their big project was sponsoring the Sweetheart Ball. The officers were Al Kollar, president; Dick Taylor vice president; John Yurovchak, secretary; and Dave Jacobson, treasurer.

V C Y is a religious organization with the goal to encourage moral and spiritual living. During meetings they sing, have social get-togethers and listen to guest speakers. Cards with Sneets and Blurps written on them were seen often on members of V C Y. These are two groups in the club who compete for attendance at the meetings.

Mrs. Milaine McKay is the adviser, and the officers were Byron Stay, president; Mike Hildebrand, vice president; and Jeanne Hansen, secretary-treasurer.

Debate Squad A Success

A well-balanced debate squad, consisting of Jeri Cowan and Mikkell Thompson, on right, affirmative, and Alan Kiest and Linda Stalcup, on left, negative, used the topic: "Resolved: That the Federal Government should adopt a program of compulsory arbitration of labor management disputes in the basic industries." Their adviser was Mr. Larry Roshau.

THE sponsoring of 13-year-old Tony Nelson of the Rainier School at Buckley was the highlight of the activity-minded Psychology Club. By sponsoring the boy for a year, they wrote to him, gave him allowance money for clothes and spending, and even gave him a birthday party.

Psychology Club actively took part in some 15 different ventures, including a food basket for a needy family, a Valentines Day party for the Kittleson Rest Home in Parkland and an Easter party for the modified group of Midland School.

Being the only club of its kind in the State and also being one of the most active clubs in the history of the school, Psychology Club proved to be a rewarding organization.

Mrs. Ione Eastby was the adviser, Noreen Houtz served as president; Sandy Jordan, vice president; Pam Mills, secretary; and Sharon Howerter, treasurer.

Honor Society Gets New Constitution

THREE months of work led to a revised Honor Society constitution this year. At the top of the numerous changes is the establishment of an inter-scholastic Honor Bowl to begin in the fall of 1966.

The outdated constitution was not being followed by the club, so it was revised to provide rules which would be obeyed.

Another change is that all candidates for Honor Society with a 3.0 grade average or better will be screened more closely to insure a high quality of membership.

Mrs. Margaret Phillips and Mr. William Patton were advisers; Karen Kamcheff was president; Linda Thompson, secretary; and Debbie Skillings, treasurer.

Key Club Leads Inspiring Year

DEVELOPING initiative and leadership to provide experience in living and working together, to serve school and community, and to inspire interest in all social activities led Key Club to a successful year.

Key Club sponsored various school functions such as an after game dance and helped with such services as being parking attendants at school functions and helping with the state Key Club convention.

Mr. Rufus L. Fox served as adviser while the student officers were Jim Whitesel, president; Jim Runyan, vice president; Scott Spenser, secretary; Les Logan, treasurer; Dave Roller, senior director; and Glen Hadlund, junior director.

Thespians Sponsor Ugly Man Contest

THESPIANS, being a club with many talented actors, started the year off with an unusually large attendance. The club's greatest accomplishment was its annual one acts and spring play.

They also had an Ugly Man contest which was devised to raise funds. Ed Imhof, sponsored by Letterettes, won the contest and Ken Morken, sponsored by Thespians, was runnerup.

The adviser was Mr. Roger Shaw. Officers were Dennis Nugent, president; Sue Smith, vice president; Judy Lunde, secretary; Osse Baard, treasurer; and Cindy Nelson, historian.

Drill Team Marched In Daffodil Parade

THE drill team's major goal this year was to earn money for new uniforms so they could proudly participate in the Daffodil Parade. They did this by holding bake sales and selling concessions. The drill team also practiced new routines this year to aid in half-time entertainment during the football and basketball seasons.

The adviser was Miss Twila Johnson. The officers were Sandy Draper, president; Nina Robinson, vice president; Pat Fahey, secretary, and Barb Triggs, treasurer. They also had a mascot, Judy Draper.

History Club Supports Child

HISTORY Club's aims were to interest students in their country and the world around them. To do this, the club listened to speakers who have traveled in other parts of the world.

The main objective of History Club was to adopt or help support a needy child in South America.

Serving as advisers were Mr. Harold Cleghorn and Mr. Gordon Jones. The officers were Renee Davey, president; Fran Reed, secretary; Mike Coates, treasurer; and Roberta Soukup, historian.

FBLA Visits Community Banks

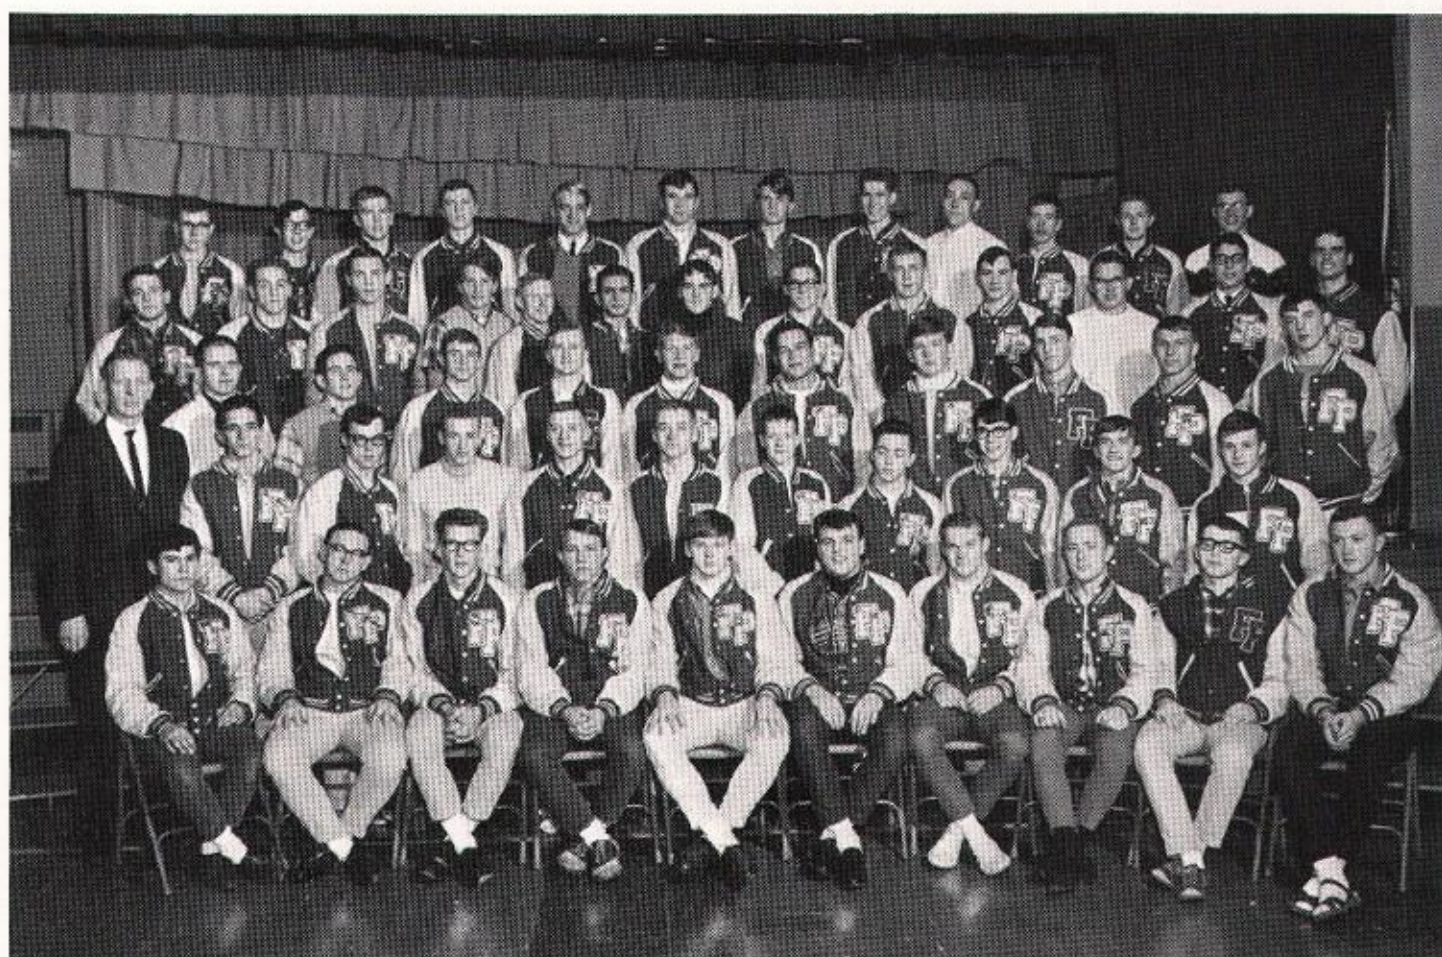

FUTURE Business Leaders of America—a club which is designed for those who are interested in a business career—started the year off by visiting the Natural Gas Company. Other events were a trip to The News Tribune, a speaker from the County-City building and a trip to Pacific First Federal Savings and Loan. FBLA also participated in a candy sale and ended the year with its annual state convention.

This year's advisers were Miss Nancy Kleinschmidt and Mr. Doug Johnson. The officers were Bill Jones, president; Lois Lerew, vice president; Ingrid Schnoor, secretary; Linda Walters, treasurer; Peggy Garner, reporter; and Diane Haun, parliamentarian.

Letterettes, Lettermen Enjoy Playing Sports

WITH the help of Mrs. Baker and the student leaders, Letterettes have had a variety of successful activities throughout the year. Each sport induces individual effort, as well as team participation in such activities as playdays and interclass tournaments.

Participation in the GAA curriculum is the chief factor qualifying a girl for membership.

Fund raising activities included a sweatshirt sale at the first of the year, donut and pickle sales, and care of the concession stands dur-

ing basketball and football games throughout the season.

Mel Burell, president of Lettermen, and fellow members, helped maintain the football stadium and gymnasium by organizing and carrying out after-game cleanups.

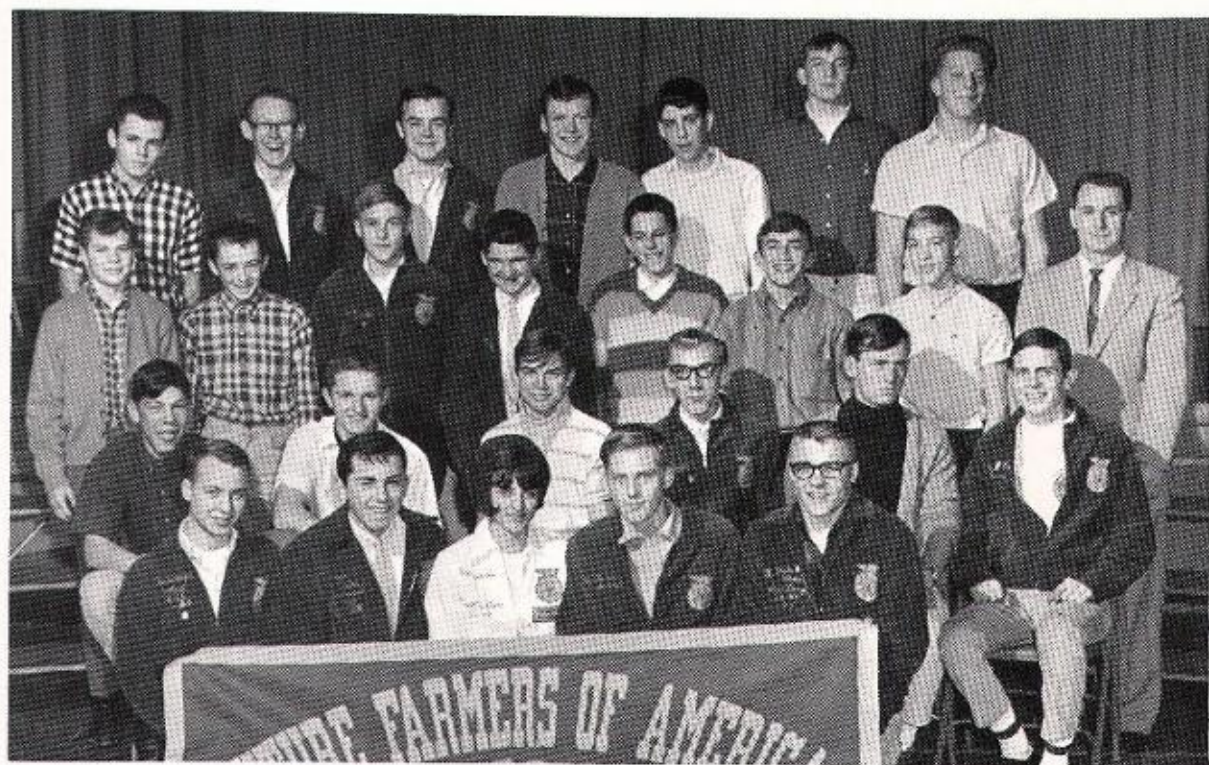

In addition to this, Lettermen's Club also sponsored the Jan. 28 after-game dance following a home basketball game with the Puyallup Vikings. Lettermen's Club also held regularly scheduled meetings with the assistance of Mr. Eldon Kylo, adviser.

THE members of FFA learn through experience such things as parliamentary procedures, public speaking and ways to solve farm problems.

Each year the FP chapter has certain traditional activities. In October the Harvest Ball was carried out by the boys of FFA. The highlight of the evening was the crowning of the Chapter Sweetheart, Eileen Davis. In December they held a Christmas party for the members. In April a banquet was held in which the boys received their awards earned during the year.

A cruise and a summer camping trip have also been planned.

As a special project, a greenhouse was built for testing the effects of plants being grown in sub-normal conditions. Funds were provided by the Franklin Pierce School District.

The members of FHA started the year off with some projects aimed at money making. Among these were selling cookbooks, Christmas settings and selling concessions at games. This year the club was advised by Mrs. Delores Sparks. FHA is for girls who plan to go into the field of Home Economics or those interested in a career of a housewife.

Micopacen Again Strives For All-American

PRODUCING a yearbook requires a great deal of effort and time. Thought and preparation must be given to each page.

A great deal of the work accomplished by the staff was done outside the classroom. Interviews had to be conducted, and pictures of the numerous activities and events of school life had to be taken.

Editor Linda Glenewinkle and her assistants, Phyllis Smith and Janice Christensen, kept other members of the staff busy doing various assignments. Ted Prida, the business manager, handled the sale and distribution of the annuals. Mr. John Eyres, adviser, helped to keep the staff working smoothly.

A new system was employed by the Cardinal this year. The Varsity became a permanent addition to the staff. The machine, a \$2,400 investment, takes the place of setting metal type.

Sue Ballman became the first "special assistant". Her job was to arrange the rough copies into coherent articles.

Editor for the first semester was Bill Matson. With the arrival of the second semester, a new editor, Linda Stalcup, took up the managing position. Kathy Pinder handled the advertising and Doug Hocking and Phil Lewis edited the sports section.

THE FP band has added school spirit through numerous events throughout the year, under the direction of Mr. Eugene Ahrendt. They played at all home basketball and football games and presented fall, winter, and spring concerts. They also took part in a solo-ensemble contest, and participated in a band contest with all the bands from the Puget Sound League.

Mikkel Thompson, Alan Wolfe, Roberta Soukup and Jeri Cowan made up the String Quartet. They received a superior rating at the Solo and Ensemble contest at Clover Park. They worked as a quartet, but also joined the junior high strings from time to time to play full orchestra pieces.

The over-all general criticism of this year's Select Choir is that they've had a fairly successful year. They sang for the Voice of Democracy assembly, the fall, winter, and spring concerts, and a special Easter concert. They also

participated in the Puget Sound League Choral contest.

"The Silvertones also have had a successful year," said Mr. Angelo Manzo, choir director. Among the many organizations for which the Silvertones sang were the Shriners, the Mormon Church, the Eastern Star organization, the Tacoma Club, and the Veterans of Foreign Wars. With the donation from these performances, they bought the material for the Select Choir's girls' dresses and they bought choral shells as a background to provide better acoustics for performances in the gym.

The Mixed Chorus, one of the largest choral groups in the history of Franklin Pierce, also performed at school functions. Among them were the Fall Concert, the Voice of Democracy assembly, the Christmas Concert and the Spring Concert.

SPORTS

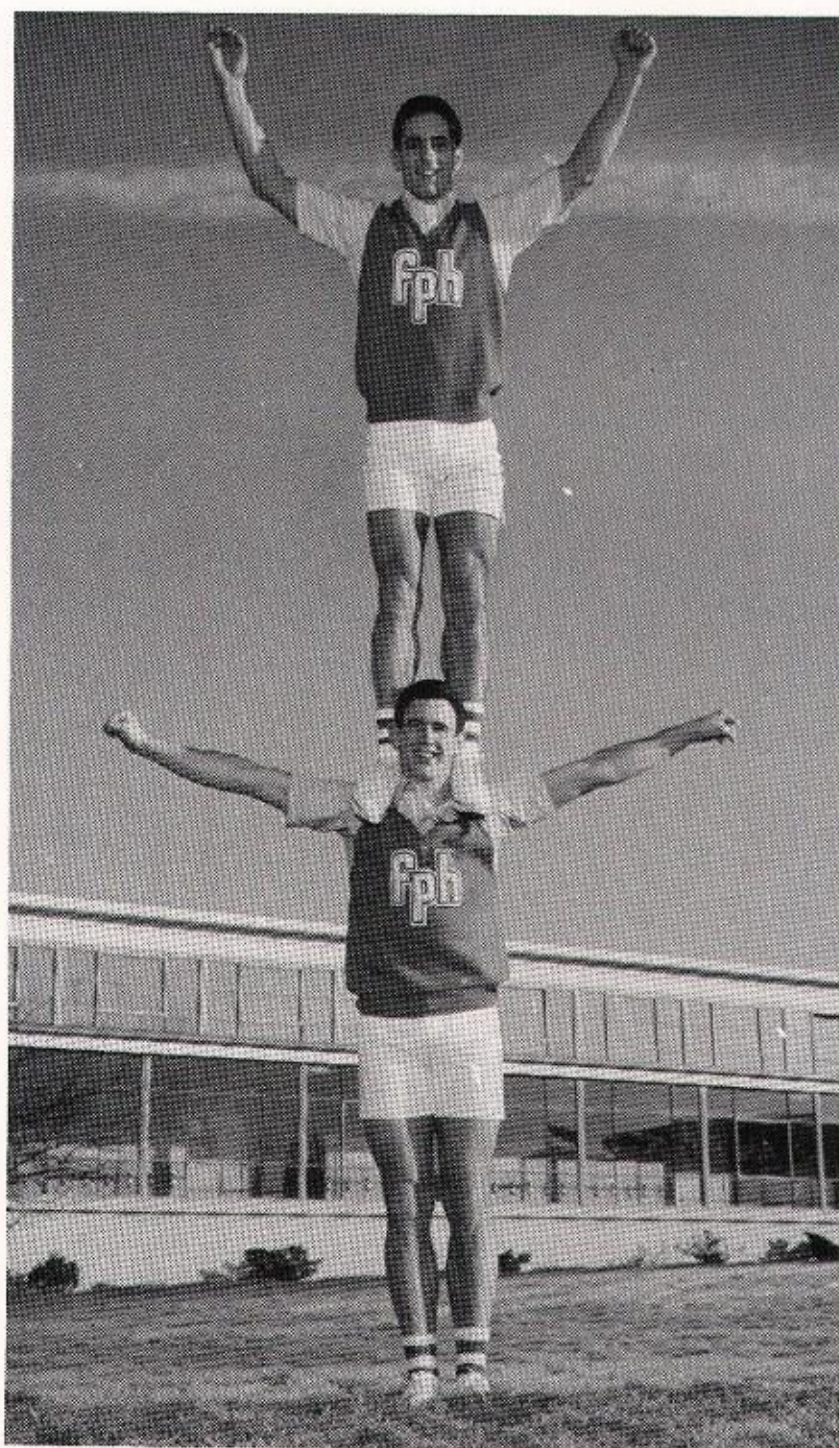

FOR the first time at Franklin Pierce two of the eight pep staffers were boys, John Selden and Sully Hester.

Keeping in the spirit of the go-go idea of this day and age, lively feet, quick movement and loud voices characterized the pep staff.

"Down Town", "We're Looking Good" and "Henry the Eighth" were some of the new yells that were added this year.

Mrs. Eileen Stromme, adviser for the pep staff, gave suggestions about uniforms, skits and different yell and song routines.

Franklin Pierce Fields Finest Football Team

The Cards go for short yardage in their 20-0 win over Lakes. They extended their winning streak, and went on to win the Southern Division Title.

THE greatest team in the history of Franklin Pierce closed its regular season undefeated in nine starts. They captured the Southern Division crown of the Puget Sound League, but were nudged by a strong Kent-Meridian team 19-14 for the league championship.

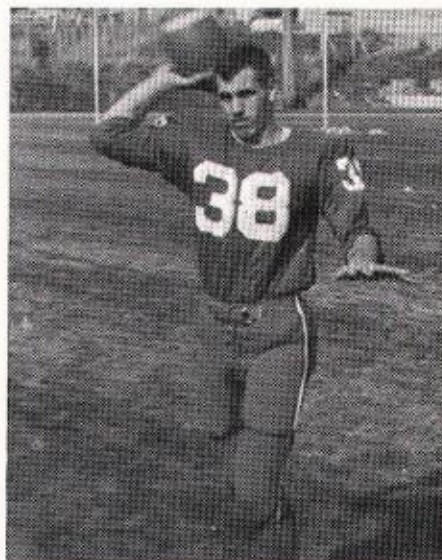

The first two games of the year, against Evergreen and Mt. Rainier, showed the Cardinals potential both offensively and defensively. In their first league start the Cards downed Enumclaw 55-7, setting a school record for the largest margin of victory. In the next game, against Renton, the break in the deadlocked game came when Mel Burrel blocked an Indian punt. Doug Roberts recovered for FP, and a few plays later fullback Gary Hammer piled over from the 1-yard line. At this point in the season the high-flying Cards were rated fourth in the state AP poll.

In their next two encounters, the team managed to down Auburn on a very wet field, and in a non-league contest with Mt. Tahoma, the Cards extended their perfect record. The Redbirds controlled the ball in the game

with Lakes, limiting them to only 33 plays. In this game Ed Imhof gained 113 yards, and Gary Stevenson 109 yards, as the Cards moved into third place in the state AP poll.

The Cardinals next downed Clover Park 28-0 and moved into position for their game with Puyallup for the Southern Division title. The 1964 PSL champs, Puyallup, provided FP with its biggest scare of the year. The score was 19-13, Cards favor, with 2½ minutes remaining. The Vikings had the ball and had driven to the Cardinal 15-yard line. Tom Yotty then shocked the crowd of 4,500 by grabbing the ball from a Viking player on an end sweep, and then running 85 yards for the game-saving score. The Cardinals had finished their first undefeated regular season.

In the season finale, the PSL championship game, the Cardinals, rated second in the state, took an early lead, but the Kent-Meridian's heavy line and balanced running attack overtook the Cards late in the game. The final score was 19-14, dropping FP to tenth in the state.

Sophomores Gain Valuable Experience

UNDER the direction of Mr. Dick Larson and Mr. Tom Sawyer, this year's sophomore team had a season record of 3-2-3. The players worked hard in preparation for their next two years of high school football. Several sophomore players were moved up to the J.V. squad. They were linemen Karl Korsmo and Al Downs and back Mike Renfrow.

FP beat Auburn 33-0 and 19-0 and Clover Park 13-7. They tied Kent 14-14 and Puyallup 0-0 and lost 13-7 to Clover Park, 27-13 to Puyallup and 7-0 to Lakes.

Surprising Cards Take South Title Again

Bulger controls tip.

CARDINAL cagers for the second straight season captured the Puget Sound League Southern Division championship with a come from behind effort, but this year failed to make it to the regionals.

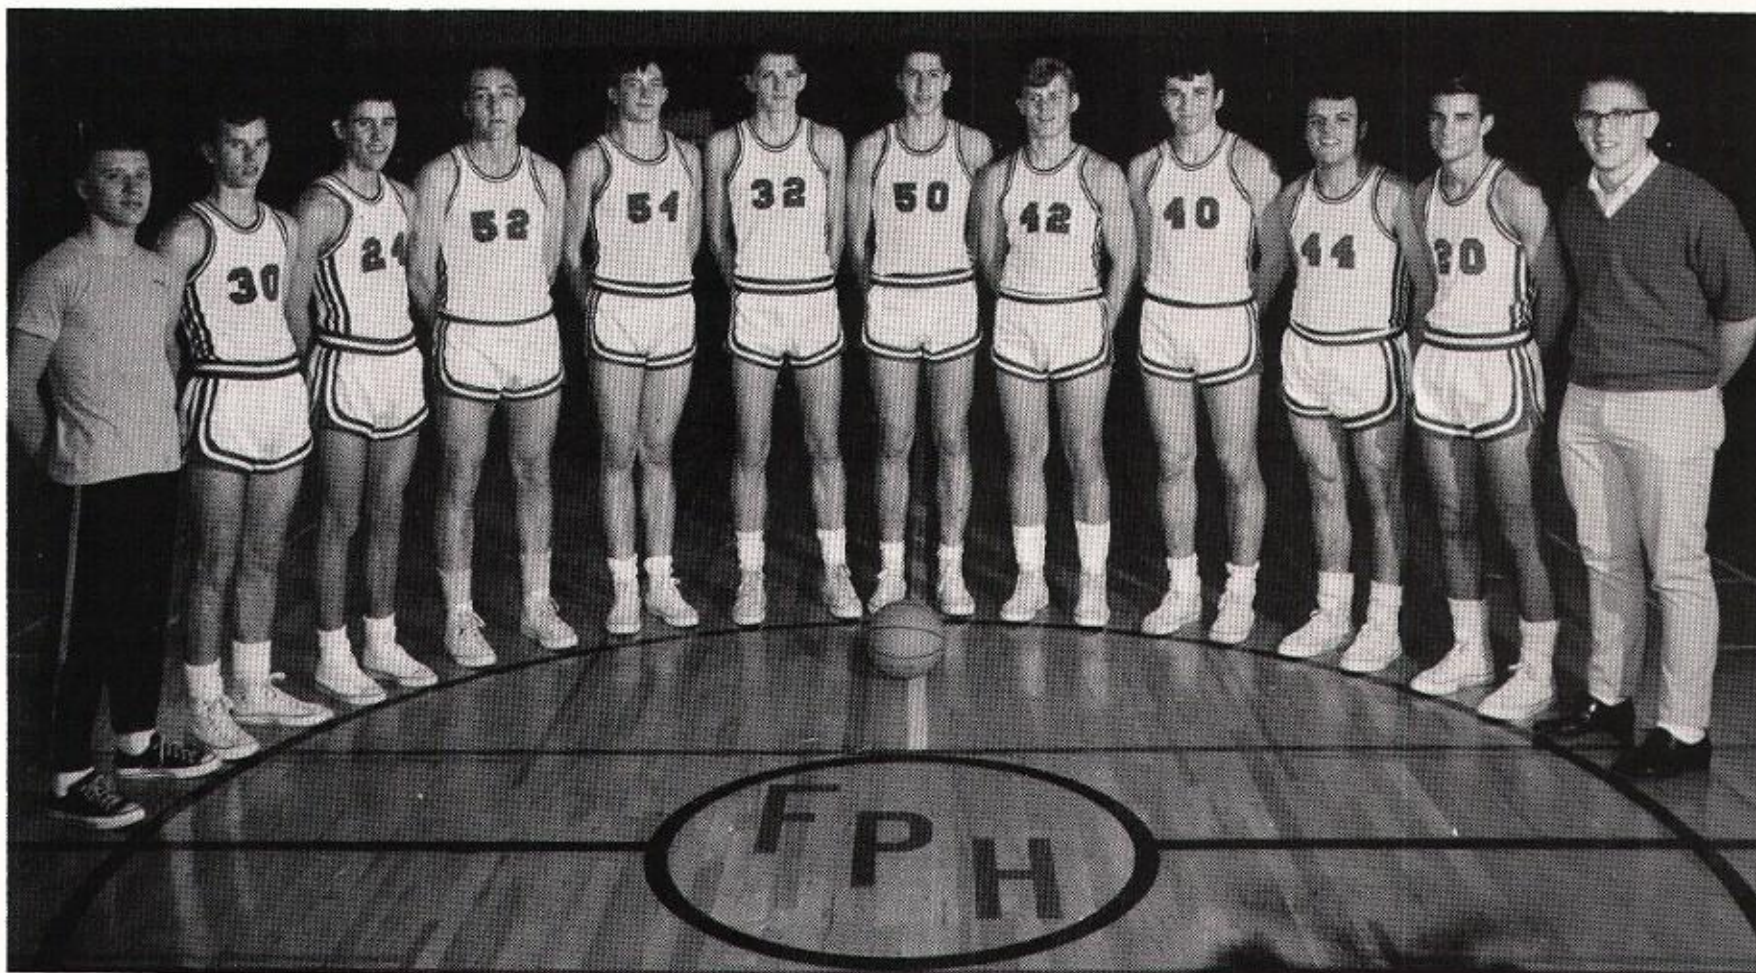

The Cards, trailing front-running Auburn by a game with four contests to go, got a big break when Enumclaw upset the leaders, knotting the division race. The Cardinals then bounced back to beat Auburn in their second meeting 29-27 after the Cards had dropped an earlier contest to Auburn 50-37. The Cards went on to win the final two games of the season, posting a 16-2 log and giving them a berth in the PSL championship tilt with Kent-Meridian.

In a wild, emotion-packed thriller, the Cards, after taking a 20-18 halftime edge over Kent, finally fell 37-30. The inability of the Cards to hit from the foul line was a big factor in their downfall. The following night the Cards dropped the consolation game to Renton 41-35.

Al Kollar, Cardinal center, was voted to the all-PSL first string, while Dave Carr and John Yurovchak received honorable mention.

Coach Del Schafer's season hopes were dimmed early in the year when the Cards lost starting guard Ed Imhof with a knee ailment, the result of a tobogganing accident, which sidelined Ed for the rest of the year.

During the course of the year the Redbirds ripped highly touted Wilson 48-43 and 70-36, slaughtered Tyee 58-27, crushed City and Capital league champion Lincoln 50-32 and 53-36, bombed Glacier 51-30, dropped a thriller to Kent 44-42, beat the state's Region II champions, Renton, 44-40, whipped Enumclaw 49-26 and 58-50, tripped rival Clover Park 48-39 and 31-26, triumphed over Lakes 43-37 and 50-40, split with Auburn 37-50 and 29-27 and romped past Puyallup 40-27 and 56-42. The Redbirds dropped both play-off games, 37-30 to Kent and 41-35 to Renton.

In the PSL Championship tilt Kent won 37-30. The Cards leading 20-18 at the half, found themselves trailing 26-22 in the fourth quarter. The Cards rallied to knot the score at 26-26 with five minutes left, but Kent stalled out the clock after taking a 32-30 edge.

The Cards then met Renton after falling behind 20-7 early in the first half, the Cards began a long uphill struggle. They came within three points at 36-33 with minutes left in the game, but Renton went into a stall and won 45-35.

JVs Finish Season With 8-10 Record; Sophomores Capture Division Crown

FRANKLIN Pierce's junior varsity and sophomore hoopsters both achieved an important objective during their 1965-66 campaigns. They were able to produce potentially fine varsity cagers.

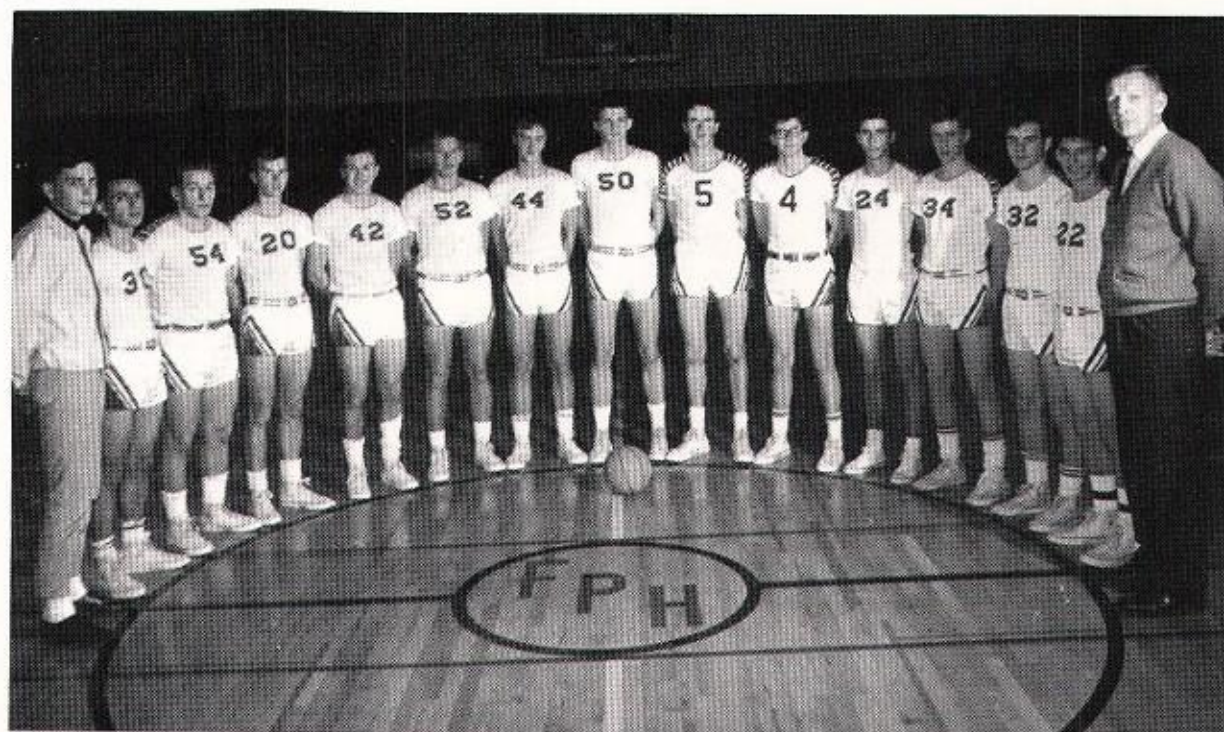

The junior varsity, posting an 8-10 season log and a fourth finish in the PSL Southern Division, was lead by Doug Armstrong, who averaged 10.4 points per contest and was top rebounder.

A few were able to play a limited role in varsity tilts with Rich Holmes turning in the outstanding performance for the varsity with seven points in about five minutes action against Enumclaw.

The sophomore cagers finished first in their division with a 12-3 season record.

The Sophomore squad was led by Mike Stogsdill and Jim Hadland, who averaged 13.5 and 10.1 points per game, respectively.

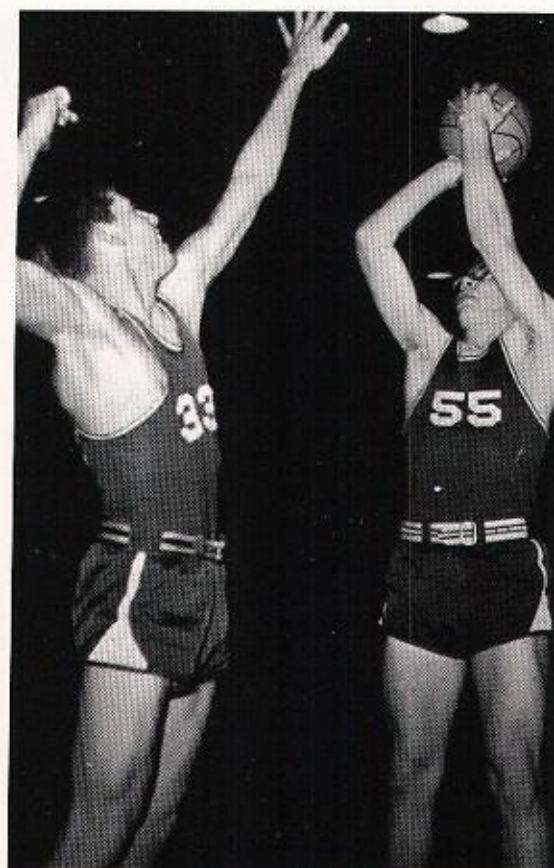

JV mentor was Mr. Eldon Kylo, while Mr. Robert Ross coached the sophomores.

FP Wrestling Team

THE wrestling team sported a seven wins, four losses, and one tie season record and placed 4th in the Puget Sound League. The team met each of the 12 PSL teams once, and had a non-league match with Curtis.

The team sent seven wrestlers to the sub-district tournament, Rick Fisch, Gary Simon, Terry Beckstead, Gary Stevenson, Bob Blessing, Mel Burrell and Terry Bertucci. Three of these placed in the district tournament and were able to go to the state tournament. They were Gary Stevenson, 2nd place in the 168 lb. class; Rick Fisch, 4th place in the 157 lb. class; and Gary Simon, 5th place in the 136 lb. class.

The 14 wrestlers who lettered were Rick Fisch, Terry Bertucci, Ken Stevenson, Gary Stevenson, Mel Burrell, Terry Beckstead, Rich Anderson, Pete Sallee, Bob Blessing, John Seldon, Gary Simon, Rick Reding, Dan Steinhoff, and John Tobosa.

6 Returning

WITH six returning lettermen, Mr. Bud Galusha, head baseball coach, hoped to improve on last season's record of 12 wins and 4 losses and a second place Southern Division finish.

The second place finish and the season's record were the best the Cards had ever done. The team's batting average was a remarkable .280, with Rick Welfringer leading the team with an average of .380 and Mel Burrell and Jerry Yurochak sharing home run honors with two apiece.

The six returning lettermen this season were Terry Johnson, pitcher; Mel Burrell, catcher; Tom Yotty, 3rd base; John Yurochak, shortstop; Dick Taylor, 2nd base; and Gary Hammer, outfield.

Lettermen Fred Holt skims over bar during pole vaulting practice session.

WITH seven returning lettermen on the field, this year's track team had good prospects for a successful season.

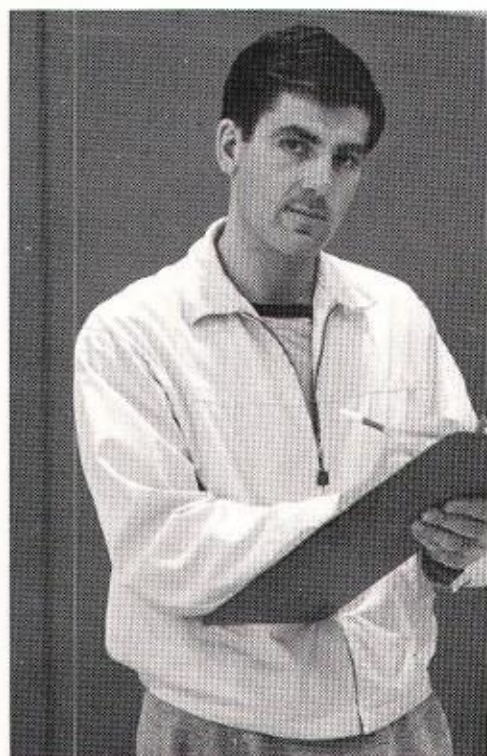

The returning lettermen were Steve Harshman, shot put and discus; Fred Holt, pole vault; Ron Lobeda, half mile; Dave Roller, hurdler; John Seldon, pole vault; Clay Smith, mile; and Ken Stevenson, sprinter. However, the team was hindered because three other lettermen, Rich Holmes, Ed Imhof and Joe Tate, were unable to return because of illness.

Fifteen different events are involved in track. Thus, there is something for every type of talent: mile runs, dashes, hurdles, relays, jumps, shot put, discus and pole vault.

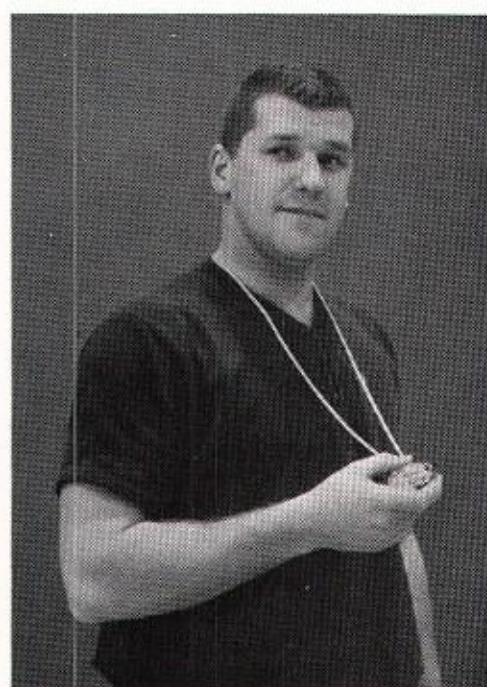

Last year's thinclads broke five school records. Clay Smith broke the mile record made in 1961 of 4:43.9 and revised it to 4:38.9. The 180-yard low hurdles record of 21.5 set in 1962 was edged out by Dave Roller's 21.4 effort. Ed Imhof and Joe Tate, with graduates Duane Young and Bob Peck, teamed up to erase the 880-yard relay record set in 1960. The new mark of 1:30.0 beats the old by 1.4 seconds. Graduate Tom Brunton's 144 ft. effort in the discus beat the 1962 record of 140 ft. 9 inches. Fred Holt's 12 ft. 6 inch mark in the pole vault is now tops in the books after he several times bettered his old mark.

Last year the cindermen came through with a 3-3 record: FP 90, Enumclaw 37; FP 46 $\frac{3}{4}$, Glacier 75 $\frac{1}{4}$; FP 60, Lakes 67; FP 46, Clover Park 59, Mt. Rainier 54; FP 65, Kent 62; FP 67, Auburn 60.

GOLF this year adopted Mr. Walter Hall as their new coach and had four returning lettermen which aided the team during their season. FP tied its last game with Clover Park 66-66 and placed fourth in the league, with a record of 4-4-1.

The four returning lettermen were Dan Greco, Greg Brown, George Ingram and Terry Bertucci.

Wayne Kent sets up serve for opponent.

THE turn of the season and the first signs of spring made a perfect setting for the tennis team.

Thirty-five players, which was considerably lower than last season, turned out for the tennis team. Ed Armstrong, Louis Armijo, and Wayne Kent were the three returning lettermen for the squad. Virginia Peterson was the only returning letter winner for the girls. The tennis team was unbalanced, being strong on the boy's side and weak on the girl's because of the lack of participation and returning girl letter-winners.

Last season the tennis squad placed second in the Southern Division. Their league play record was 7-3 and overall record was 13-4. The squad also placed first in the Highline Invitational Tournament in mixed doubles and third as an entire team. Coach was Mr. Norman Scott.
